# THE RELENTLESS PURSUIT OF *discovery.*

It's the reason we choose to travel  
**AND WHY OUR MANY GUESTS CHOOSE  
TO JOIN US FOR THE ADVENTURE.**

It's why our boutique hotels at sea sail to the ends of the globe, stopping in both landmark locales and places you may know little about prior, but will never forget. And it's why we were the first in the industry to pioneer longer stays and overnights in port, allowing you to fully immerse yourself in your destinations at all hours. Home is sweet, but we were not meant to stay home. We were meant to explore.

There's a wide world to discover. *Explore Further<sup>SM</sup>*

## NEW! FOR 2019

### ALASKA LAND & SEA PACKAGES

P. 89

Travel is about expanding your horizons, and we're constantly looking to broaden our views as well. With that mindset, we discover that many amazing opportunities take shape. Case in point—our NEW Alaska Land & Sea Packages.

## 17-DECEMBER

### 11-NIGHT ARABIA & INDIA HOLIDAY

P. 98

Let us do the cooking, cleaning, and housekeeping for Christmas this year. Celebrate the holidays in style with inclusive amenities, our beyond-attentive staff, and several festive events in the mix during an 11-night trek through the Arabian Gulf.

A person with a backpack is walking away from the camera on a narrow suspension bridge. The bridge has a metal grate floor and green safety netting on the sides. It stretches into a dense, lush green forest of tall evergreen trees. The perspective is from behind the person, looking down the length of the bridge.

# LOOK AHEAD.

*You never know what you may discover.*

Our 2020 ITINERARIES are out now. See a preview on page 100.

An aerial photograph of Venice, Italy, showing the city's dense architecture and the Venetian Lagoon. The city is built on a series of islands and peninsulas, with the Grand Canal winding through the center. The water is a deep blue-green, and the sky is a clear blue with some light clouds. The text "ALWAYS CLOSE BY" is overlaid in the center of the image.

ALWAYS CLOSE BY

# ALL OVER *the* WORLD.

It takes a grand vessel to traverse oceans, yet a smaller ship to visit some of the world's most intimate locations. Our three sister ships, **AZAMARA JOURNEY®**, **AZAMARA QUEST®**, and **AZAMARA PURSUIT<sup>SM</sup>**, combine the best of both worlds—they're the perfect size to cross the Atlantic and also dock in hard-to-reach ports, positioning you in the city center of wonderful destinations the moment you step off the ship.

When in the likes of Tokyo, Hong Kong, Sydney, Reykjavik, Venice, Lima, and more, a few steps off the ship will place you in the heart of the action, allowing more time to tour, shop, dine, converse, and trek, however you choose to do so. When it comes to authentic travel, size is everything.

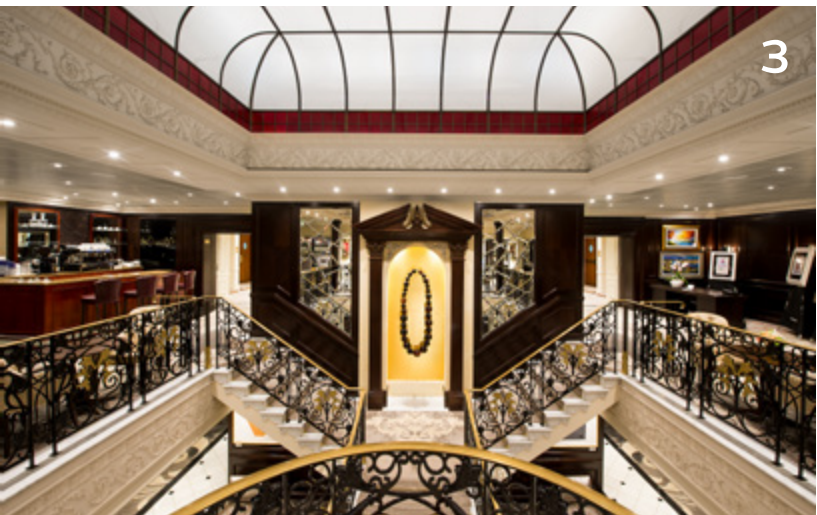

# HOME SWEET SHIP.

Our three sister ships, **AZAMARA JOURNEY®**, **AZAMARA QUEST®**, and **AZAMARA PURSUIT<sup>SM</sup>**, are stunning, yet perfectly comfortable at the same time, with a mix of modern and contemporary design elements, several delicious dining options, a recently transformed spa and fitness center, a relaxing pool deck, Mosaic Café offering specialty coffees and treats, and daily entertainment. And with room to accommodate approximately 700 guests, they are the ideal size—big enough to offer all of your favorite club-like amenities and small enough to feel relaxed, laid back, and inviting.

Our guests have said that traveling onboard Azamara® is like staying in the best possible vacation home, but one that transports you to a different destination each day. Your vacation home—all over the world. That has a nice ring to it.

# TO THE SUITE LIFE.

It's one thing to experience the world from our boutique hotels at sea. It's another thing entirely to do so from the comfort and luxury of a **CLUB WORLD OWNER'S SUITE**, **CLUB OCEAN SUITE**, or **CLUB SPA SUITE**.

In fact, there's no finer way to travel. We take care of every detail, big and small, and include \$300 in Onboard Credit for suite guests so you can focus on experiencing the world.

After a long day of onshore exploration, sit back and relax with plush cotton robes and slippers, French bath products, fresh flowers, and fine linens. Open the sliding glass doors to your private veranda, perfect for reading, al fresco dining, a nightcap, and stargazing. Should you need anything else, your English-trained butler is never more than a call away, ready to assist with restaurant and spa reservations, private parties, dinners for two, and much more.

## CLUB SPA SUITE:

**THE PERFECT PLACE TO GET AWAY FROM IT ALL, WITHOUT BEING FAR FROM ANYTHING.** Love the feeling of being at the spa so much that you never want to leave? With our Club Spa Suites, you won't have to. Located next to the tranquil Sanctum Spa, these suites feature a comfortable sitting area, daily delivery of healthy snacks, plush cotton robes and slippers, and in-room spa music. ▼

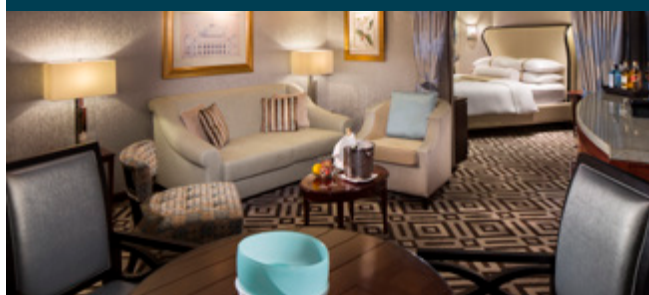

/ THINKING ABOUT UPGRADING TO A SUITE? PICTURE THIS...

## CLUB CONTINENT SUITE

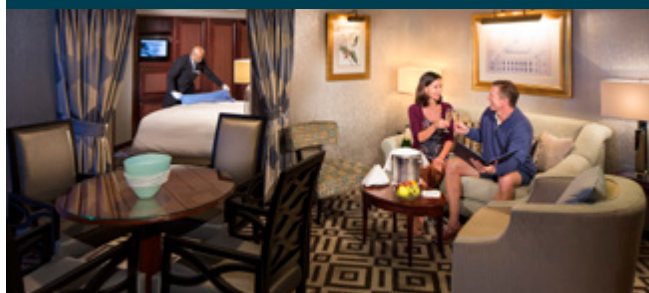

**A WONDERFUL AND REFINED HOME AWAY FROM HOME.** The Club Continents suites are our smaller suites, yet spacious and comfortable. These suites, too, are transformed with a completely new décor. They feature two lower beds convertible to queen size, comfortable sitting area, a spacious, newly decorated bathroom – either with a bath tub or shower, large flat-screen TV, mini-bar, and plenty of other fine amenities.

## CLUB OCEAN SUITE

**A RELAXING RESPITE FROM YOUR MANY EXPERIENCES ON LAND.** When you step inside a Club Ocean Suite, you step inside an onboard oasis. Each Club Ocean Suite features new furnishings and wallpaper, plush carpeting, writing desks, a large living room, a comfortable separate bedroom, floor-to-ceiling sliding glass doors that open to your private veranda, and more.

## CLUB WORLD OWNER'S SUITE

**OUR LARGEST SUITES, TRANSFORMED AND INSPIRED BY THE NATURE WE ADORE.** These luxurious accommodations feature a large living room with a separate bedroom, marble master bath, large flat-screen television, refrigerator with mini bar, floor-to-ceiling sliding glass doors that open to a private veranda, and all the pampering you can handle.

# FRIENDSHIPS.

## OUR OTHER FAVORITE “SHIP.”

Captain José Vilarinho

You'll hear the phrase "welcome home" mentioned by our crew upon your return to the ship after a day or night exploring on shore. And it's true. Home is comforting, relaxing, familiar, and that's exactly what we strive to convey onboard. It's the kind of place where our captain will give you the watch off his own wrist after hearing you left yours at home (true story). Or the type of place where our crew will turn the ship around 180 degrees so you can have a sunset view with your birthday dinner. After a couple of days, you may notice your favorite bartender already remembers your drink order, or your stateroom attendant turns down your sheets exactly the way you like them. It's attention to the small details that goes a long way. And attention to everything in between. **WELCOME HOME. IT'S NICE HERE.**

For our staff and crew, working with Azamara isn't just a job. It's an opportunity to go above and beyond, to make your day extra special, and to showcase our passion with many other travel enthusiasts like yourself.

“The crew was exceptional, they could not do enough for us, and you can tell they are happy in their roles.”

# FAR AWAY FEELS RIGHT *at* HOME.

Our boutique hotels at sea check all the boxes of what you'd expect to find in your favorite club, with several surprises mixed in along the way.

## WHITE NIGHT:

It's a signature complimentary celebration on every Azamara voyage. Bring your bright white attire and head to the pool deck for an outdoor buffet feast, boutique wines, and a night of dancing to a live band. ▼

## ONBOARD ENTERTAINMENT

A new era of legendary Azamara entertainment has been unveiled. Take a seat in the Cabaret Lounge for shows by Broadway stars, theatrical shorts, and contemporary opera you won't find on any other ship.

## YOUR CHOICE OF ACCOMMODATIONS

The best seat in the house is whichever room you choose. Elegant, comfortable, stylish. How about all three? Our staterooms and suites range from stunning to spectacular and feature various levels of luxury to suit your tastes, with a mix of modern and contemporary elements seamlessly blended together to create your home away from home.

## THE SANCTUM

Relax, refresh, or recharge. Our onboard health and wellness offerings include a premier fitness center and personal training, a tranquil spa staffed by expert aestheticians and therapists, and a full-service salon. Oceanfront massage, anyone?

## DELICIOUS DINING

Eat, eat, and eat some more. It's your vacation, and we fully support that. Whether you're craving Spanish-inspired tapas before heading out on the town or want to make an evening out of a meal at one of our specialty restaurants, you'll find a culinary option for every palate at one of the six dining venues onboard.

# We love that **NEW SHIP SMELL.**

The world isn't getting smaller, so our fleet is getting bigger. In 2019, **AZAMARA PURSUIT<sup>SM</sup>** will be joining our fleet, and with her arrival, we will be greatly enhancing our capacity to provide you with authentic travel experiences from your new boutique hotel at sea.

**AZAMARA PURSUIT** will be cruising to 73 more destinations, including 19 new destinations we've not yet visited but have been hungry to take you to. With the addition of **PURSUIT**, we'll be traveling to all seven continents, so you can stay longer and experience more like never before.

HERE'S TO TRAVEL, NEW EXPERIENCES, AND THE PURSUIT OF YOUR BEST VACATION YET.

23-JANUARY

16-NIGHT CHILEAN FJORDS

P. 40

Trace South America's southern coast with a trek from Buenos Aires to Santiago. Enjoy the beautiful backdrop of Ushuaia's surrounding Martial Mountains, then venture along to Punta Arenas, your gateway to the Chilean Fjords.

6-APRIL

7-NIGHT SPAIN INTENSIVE

P. 45

Travel through time as you tour the wonders of Spain, port by port. After leaving Portugal's capital of Lisbon, the city with seven scenic hills, immerse yourself in Spanish culture by staying overnight in Seville.

Medieval majesty surrounds you in the island port of Palma de Mallorca, where you can enjoy restaurants, bars, and galleries before finishing your travels in one of Europe's most iconic cities—*Barcelona*.

24-AUGUST

11-NIGHT GREECE INTENSIVE

P. 54

Go full-circle around Greece's eastern shores with this 11-night romp. Start in Athens and end in Athens with stops in sun-bleached Mykonos, stylish Paros, stunning Volos, and Greece's cultural capital of Thessaloniki.

30-NOVEMBER

8-NIGHT RIO TO BUENOS AIRES

P. 60

Iconic experiences await you along the eastern shores of South America, where you'll explore exciting destinations in Brazil and Uruguay before settling in Argentina.

For the most up-to-date pricing, please visit us online at [Azamara.com](http://Azamara.com).

# SEIZE *the* NIGHT.

All around the world, culture comes alive after 5, and we want you to be there to experience it. That's why we stay later than 8 PM in port more often than any other cruise line. Our 2019 itineraries include **150 OVERNIGHTS** and **268 LATE NIGHT STAYS** in port, bringing you closer to local life at all hours. As the original cruise line to stay longer in port, our destination experts have acquired quite the collection of nighttime knowledge and suggestions on how to best explore the hundreds of destinations we visit after the sun sets. Just ask. Sharing is our other area of expertise. ►

## AUCKLAND, NEW ZEALAND

New Zealand is known for incredible landscapes, but her growing nightlife scene is quickly making a case for a reason to stay longer in Kiwi country. Our suggestion? Head to North Wharf for dinner in a fishing shed. The catch of the day is as delicious as you'd expect.

## BUENOS AIRES, ARGENTINA

Dubbed the “Paris of the South,” Buenos Aires sports a culture of dining after midnight, and working off that locally farmed steak while dancing the night away. The city’s music scene supports a variety of genres, so you can listen to a live show of your choosing. Don’t sleep on this South American gem.

## LONDON, UNITED KINGDOM

One of the more obvious answers, London features something for everyone—from comedy cabarets to jazz clubs to trendy bars. For a special treat, attend the ballet at the Royal Opera House. We’ll help you get tickets, if you choose.

**EVENINGS®**

# An evening only made possible when you travel **#AZALocal**

Ask any past Azamara guest what the favorite part of his or her voyage was and you'll often hear a similar answer—**AZAMAZING EVENINGS®**. When we first began staying longer in port, we launched this series of evening outings for our guests, and they stuck.

Years later, we've honed our craft and continue to provide you with these exclusive, bespoke, and authentic onshore events that embody the cultural DNA of the places you visit. Seize the night and experience a side of cruising (and travel, for that matter) that others won't—**COMPLIMENTARY**, of course.

“It was obvious a lot of thought and planning went into the event. A first-class evening that will be a tough act to follow. A great success and much more than we expected. We look forward to more AzAmazing Evenings on our next cruises.”

# THE LAST FRONTIER.

*We're there at last.*

In 2019, we're about to do something we've never done before—we're headed to Alaska. Not just Alaska; almost all of it. Eleven ports, in fact. Places like Dutch Harbor, Juneau, Seward, and many more. While you're there, you'll have every opportunity to explore the 49th state like a local, from learning the native Tlingit history in the Icy Straits to dogsledding past snowcapped mountains in Anchorage. It's a playground only Mother Nature is capable of building, and best experienced with your boutique hotel in tow.

**O**n several of our 2019 Alaska voyages, we'll be stopping for a longer stay in the perfectly preserved frontier town of **SKAGWAY**. It's a fun one to say, even more fun to experience, and the ideal place for a full day and evening visit. What would our ideal stop in port look like? We're glad you asked. ▶

## EARLY MORNING

The ship arrives around 7:00 AM, and we'd choose to be up with the sunrise. A room service catered breakfast on your veranda will offer stunning mountain views as we pull into Skagway. Debark soon after. There is much more to explore.

## MORNING

Much of Alaska is best experienced by train, and the White Pass & Yukon Route won't just take you throughout Skagway's mountains, glaciers, gorges, and waterfalls—it will take you back in time. The railway was first built in 1898, and the vintage railcars are modeled after the original. A morning train excursion is a must.

## AFTERNOON

Skagway is steeped in history, and the town offers many ways to discover its rich past. The Bernard Moore House and Moore's Cabin tell tales of the Gold Rush, a time Alaska knows all too well. Stop in for a tour.

## LATE EVENING

An eventful day is making us thirsty, but there's an easy solution for that. Skagway's saloons are as historic as the railway—the Red Onion Saloon is one of our favorites. This 1897 establishment is adored by visitors and locals alike. Stop in for a beverage and bite to eat. In 100 years, not much has changed.

# COUNTRY-INTENSIVE *Voyages*

More than just a snapshot.

## SEE THE FULL PICTURE OF A COUNTRY.

These fully immersive itineraries consist of most, if not all, stops in port in one single country, making for a unique way to dive deep into some of the world's most intriguing nations.

# ON AN AZAMARA VOYAGE.

The initial layers of a destination—its people, its buildings, its shops—are obvious to anyone, but true travel inspiration is more than just a pretty view. It's found when you dive deeper beneath the surface. Authentic travel moments transpire when you feel completely immersed in a destination, and when you sail the world with Azamara Club Cruises, that's exactly what you'll experience.

Longer stays and more overnights mean more cultural immersion. That's why we spend more time in port than any other cruise line. That's why you can experience more destinations after the sun goes down. Because it's not enough to see something. You have to smell it, hear it, taste it, and most of all, feel it.

Our expert team of culture connoisseurs have contracted with independent, reputable tour operators to offer exceptional new shore excursions by day and by night.

See the world from a fresh perspective in 2019 with our enhanced **CRUISE GLOBAL, CONNECT LOCAL<sup>SM</sup>** shore excursion collection and read on to discover some of our favorites, each focused around authenticity, the spirit of adventure, and providing a localized experience you can't get anywhere else.

## A TRAVELER'S GUIDE TO SHOPPING ABROAD #AZALocal.

Shopping is a universal language, but the local dialect changes from location to location. Do some research ahead of time to make sure you have the best shopping experience. Or let us do the research. That's what we're here for.

### IS IT GENUINE?

There are a lot of authentic local products out there, and also a lot of knockoffs. You want to be sure to take home a genuine piece of culture, which is why all of our **SHOP LOCAL** vendors are vetted to ensure authenticity. It's the easy way to guarantee you'll go home with the real deal.

### CAN I NEGOTIATE?

In certain cultures, negotiating price is a way of life, while in other areas of the world, haggling may come across as disrespectful. Look into local shopping practices beforehand to make sure you receive the best deal without upsetting the local shopkeepers.

### HOW DO I GET MY PURCHASES HOME?

If you plan to shop on your voyage, prepare ahead of time for how to get your purchases back home. The easiest way? Bring an extra bag. If that's not possible, we will be happy to help coordinate shipping your new finds home.

### AMSTERDAM, THE NETHERLANDS

There are more bikes in Amsterdam than people (about 800,000). Biking is a way of life here, and with beautiful fields of tulips in bloom, iconic windmills, and quaint canals, the views you pedal by will be amazing.

Or enjoy an evening stroll on an intimate guided architectural walk. Being a night owl definitely has its perks on an Azamara voyage. ►

## A LOCAL'S GUIDE TO STOCKHOLM AT NIGHT

Night brings out a different side of your destinations that can't be experienced in the daylight. A **CRUISE GLOBAL, NIGHTS LOCAL<sup>SM</sup>** excursion capitalizes on the evening magic, with outings to theaters, pubs, and other cultural establishments. One of the best places to spend a night on the town? Stockholm, Sweden. It may not be the first city that comes to mind, but this archipelago in the Baltic Sea has it all—lively and loud to laid-back and classy. For a nightclub that appeals to any age, head to Café Opera. It's frequented by stars and celebrities, features a premier casino, and is ripe with history.

# Taste Local

Food is both highly global and highly local. Meals are consumed worldwide, yet the flavors, preparation, and presentation of homegrown cuisine vary greatly from country to country and even city to city. With our culinary-inspired series of excursions, you'll shop for fresh ingredients alongside an Azamara chef; visit local breweries, distilleries, and wineries; or be taken to a hidden-gem restaurant that's frequented by the locals. If food is the reason you cruise, you're in for a vacation of legendary meals that you won't soon forget. ►

## PLACES EVERY FOODIE MUST VISIT

### HONG KONG, CHINA

It takes quite a few restaurants to feed Hong Kong's more than 7.3 million inhabitants, making the Pearl of the Orient an eclectic foodie paradise. High above the city sit many upscale restaurants at the top of skyscrapers, while closer to sea level you'll discover quaint dim sum shops and a mixture of Western and Eastern cuisine. You could spend months traversing the diverse culinary landscape. But they'd be very delicious months.

But as much as we love a fancy meal, it's Copenhagen's street and comfort food that speak to our soul. The city is home to many homegrown chefs who helped put Melbourne on the map, including MoVida's Frank Camorra. But it is also home to many immigrants from all over the world and boasts several different looks, from cozy Italian cafes to spectacular Japanese-influenced eateries. And the wine? WHY EVERY TRAVELER  
**MUST EXPERIENCE**

# Antarctica

IN THEIR LIFETIME.

Antarctica keeps a tight grasp on the keys to its enigmatic doors, but for the few that are given the opportunity to experience her subzero landscape, it's an experience that has no rival.

A journey to Antarctica's freezing waters, ice shelves, and mountain ranges isn't always easy, but most certainly worth it. Protected by the Antarctic Treaty, the wildlife on this continent is incredible. Whales, Weddell seals, and emperor penguins are in abundance on land and sea, while seabirds like the albatross cover the skies. With so few visitors, the animals are typically unafraid of humans, allowing for up-close encounters.

Just north of mainland Antarctica rests Elephant Island, a stopping point for several Azamara voyages. The island has a place in history, known for Sir Ernest Shackleton's Endurance expedition that left 22 crew members stranded for 135 days, surviving underneath two upturned boats before being rescued.

We will cruise the same waters as Shackleton's crew, while you get to see the frigid terrain that these explorers accidentally called home for three months. Rest assured, a journey to Antarctica is much more enjoyable with a boutique hotel at sea to get you there and back.

**O**ur new ship, **AZAMARA PURSUIT<sup>SM</sup>**, will be cruising to **RIO DE JANEIRO** just in time for Carnival—a multiday celebration known as the Mardi Gras of the southern hemisphere and the biggest party in the world. During this week, Brazilian revelers throw hundreds of blocos, or street parties, each with a specific theme, costume-clad dancers, bands, and a bit of beer. Attend one or 12, then head to the Sambadrome arena, where the top samba schools in the city compete against each other, with parades of spectacular floats and thousands of dancers.

Don't worry about having to book a hotel a year ahead of time. Your floating boutique hotel (that's us) will always be close by during your three-day stint in Rio. ►

## FAT TUESDAY

Samba your way through the streets of Rio de Janeiro during the world's biggest festival. Marvel at the gorgeous costumes worn by Carnival blocos, as they represent their respective neighborhoods with pride. Watch the fierce competition of Sambadrome or listen to a local band at a samba school street party. No matter what you do, you'll never forget your once-in-a-lifetime affair at Carnival!

## A HISTORIC AFFAIR

Carnaval dates back to the early 1800s, when it was introduced by Portuguese immigrants in Brazil.

## A TIMELESS TRADITION

The party begins with a ceremonial tradition where Rio's mayor hands over a giant silver and gold key to the Fat King.

## FAMOUS FACES APLENTY

Keep your eyes open for celebrities who make their way to Rio for the festivities.

## WEEKEND PURSUIT

DAY	DATE	PORT	ARRIVE	DEPART
FRI	7-JUN	VENICE, ITALY	EMBARK	6:00 PM
SAT	8-JUN	RIJEKA, CROATIA	8:00 AM	6:00 PM
SUN	9-JUN	KOPER, SLOVENIA	8:00 AM	6:00 PM
MON	10-JUN	VENICE, ITALY	7:00 AM	DEBARK

Redefine the “weekend getaway” with a three-country jaunt across the Adriatic. Sail this spectacular sea aboard a luxury boutique hotel that allows you to gape at the marvelous coastlines of Italy, Croatia, and Slovenia. Launch your adventurous weekend from the cobblestone streets of Venice, with its overarching bridges and world-famous canals.

Next, take off to stunning Rijeka. This city is chock-full of historic monuments and excellent museums, but make sure you stop in at the Art Nouveau fish market hall for fresh mussels and oysters straight out of the bay. Then it's onward to Koper, Slovenia's largest coastal town! From here, you can journey out to the nearby capital city of Ljubljana, truly one of Europe's secret gems.

Your weekend-long extravaganza concludes back in Venice, where you can don a traditional Venetian mask and sip on a Bellini at the actual site of its creation—Harry's Bar!

#### MUST SEE - SKOCJAN CAVES; KOPER, SLOVENIA

Considered one of Earth's natural treasures, this exceptional cave system is a can't-miss experience in Slovenia. Beyond its obvious natural beauty and aesthetic value, it's one of the largest known underground canyons in the world. Aren't you curious to discover what lies beneath?

Everything about St. Tropez says glamour. Even the way the name rolls off your tongue conjures up imagery of white sandy beaches, luxury yachts, and high-end shopping, making it a perfect port for a longer stay. We've planned out our ideal day, which can soon be your ideal day in this French Riviera wonder.

### EARLY MORNING

You can sleep in tomorrow. Today, we suggest rising and shining for a 7 AM breakfast on the Sunset Bar deck. The view as you pull into port is not to be missed. To get the full French Riviera experience, mimosas with your meal are a must.

### MORNING

The sun seems to always shine brighter in St. Tropez, making getting out and about mandatory. Step off the ship and step right into town. You'll pass many massive yachts on the way as you head down cobblestone streets en route to Place des Lices Market. This local gem is overflowing with fresh produce, breads, honey, jams, jewelry, and even some excess Chanel and Dior stock. That's our kind of market.

### AFTERNOON

Seafood reigns supreme in St. Tropez, and while you're busy getting lost in town, be sure to stop for lunch. While so many delicious spots come to mind, the waterfront Viviers leads the charge. Ask for an open-air table, then pick out your own seafood from the large tanks in the restaurant. “Fresh” takes on a whole new meaning this afternoon.

### EVENING

For an evening treat, look no further than Nikki Beach. This club is frequented by jet setters and celebrities alike, featuring local entertainment, fashion shows, and fantastic DJs. Pack your flashiest attire to fit in with the eclectic crowd.

Kick things off in historic Athens, where you'll never be at a loss for ancient artifacts to observe and histories to gather. Next, explore a modern city built atop Kydonian ruins in Chania and relive the Olympic glory of Katakolon. Stadiums, temples, and monuments in this city date all the way back to 776 BCE!

A late stay in the UNESCO World Heritage Site of Old Town Corfu and a day trip to the medieval city of Kotor follow. Then cross the sea to the world-famous Venetian canals, where your journey meets its inevitable end.

## OUR HOTEL DIRECTORS' GUIDE TO

# Rio de Janeiro

2019 marks our return to South America, and our Azamara Pursuit<sup>SM</sup> itineraries are full of exciting voyages to several popular and hidden-gem cities below the equator. Speaking of popular, we asked our Hotel Directors to share their **MUST DOs** from one of South America's can't-miss destinations—remarkable Rio.

HEIKE BERDOS

### VISIT THE LAPA DISTRICT

Rio is synonymous with samba, a traditional music style with fast rhythms and African influences.

This edgy part of town features many live-music halls, perfect for taking in a show like a local.

PHILIP HERBERT

### TIJUCA NATIONAL PARK HIKE

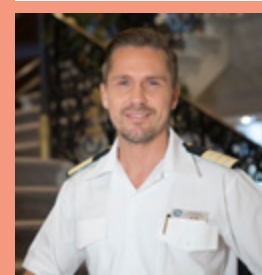

Pack your hiking boots and pay a visit to the world's largest urban rainforest. The history is just as spectacular as the plant and wildlife.

If you're feeling extra adventurous, you can rappel down a waterfall. Where else can you say you did that?

RYSZARD GUSMANN

### ATLÂNTICO RIO

Of course, seeing the tourist sites like Christ the Redeemer is something you can't miss. But afterwards, try heading to Atlântico. It doesn't look like much from the outside, just a red shack on the beach; however, the local cocktails and grilled seafood are some of the best in town.

Shop, snorkel, and soak up the sun in Key West as you prepare for the adventures that await you in Cuba. In Havana, the island's magnificent capital city, don't miss Museo de la Revolución, a national landmark that was once home to a long line of Cuban presidents. The building's original designers and architects took style notes from other countries around the world. This foreign inspiration can most evidently be seen in the mirror-lined room known as Salón de los Espejos, which drew inspiration from Versailles' famous Hall of Mirrors. Today, the museum showcases refined design elements with a generous helping of revolution propaganda and history. In fact, adjacent to the main staircase, you'll find bullet holes from a 1957 attack. Outside the entrance rests a piece of the former city wall and a SAU-100 tank used by Castro in the Bay of Pigs battle. These iconic historical artifacts are must-sees during your visit to Havana, and you won't soon forget them on the short journey back to Miami.

**W**hen wine and romance are on the agenda for nine nights straight, a relaxing, rejuvenating, and rekindling vacation is more than a guarantee. This voyage is infused with opportunities to visit many historic sites, like the departure point of the *Mayflower* and the seaside city of St. Malo, as well as intriguing cultural centers and local markets. But wine is the hero here, and this story includes plenty of time to learn, sip, and sip some more, while enjoying some of the world's best and most unique wines.

As for our recommendations? Well, there is little we like talking about more. ►

#### SAUTERNES, FRANCE

##### CHÂTEAU GUIRAUD

There's nothing wrong with starting with dessert—in this case, dessert wine. Sauternes has played a role in making Bordeaux famous for its wine, and this high-end sweet wine is bottled to perfection at Château Guiraud.

#### LIBOURNE, FRANCE

##### CHÂTEAU DE SALES POMEROL

This massive estate, surrounded by forest, has a genuine family feel and is an exceptional spot for a tasting and tour. Be sure to leave with several bottles to take back home.

#### SAUTERNES, FRANCE

##### CHÂTEAU PAPE-CLÉMENT

It's the oldest planted vineyard in the Bordeaux area, and just like the Cabernet, Sauvignon Blanc, Sémillon, and Muscadelle wines it produces, Pape-Clément seems to only get better with age. Sign up for a tour, and leave plenty of time to sit, chat, and sip on their brilliant Bordeaux varietals.

## CRUISE RIGHT ON THROUGH THE

# Panama Canal

Our smaller ships not only enable us to dock in the city center of destinations all over the world, but present an added benefit on many voyages—the ability to traverse waterways that bigger ships can't. In this case, the Panama Canal.

Spanning 40 miles from shoreline to shoreline, the manmade waterway was created to significantly cut down the time and distance ships needed to travel between the east and west coasts of the United States. Cargo ships are still the primary users of the canal, but in December 2019, the *Azamara Journey*® will be passing through, transporting many world-traveling guests en route to Puntarenas, Costa Rica. Care to join?

### DID YOU KNOW?

Pilots don't just fly planes. They help ships navigate—granted, it's a different kind of pilot. When passing through the Panama Canal, our bridge team will be joined by a local pilot, who knows the ins and outs of this waterway to a T, and will work alongside our crew as they cruise through this historic passage.

### CRUISE DIRECTOR

#### ERIC DE GRAY

"To truly grasp the innovation of the Panama Canal, you have to experience it from our boutique hotel at sea. Shop until you drop in the charming town of Colon (the Americas' largest duty-free zone), then get ready for an amazing canal journey through history."

Start off at Khor al Fakkan, UAE, before heading to Oman's city of Muscat, where you can gape at the unfathomable beauty of the Sultan Qaboos Grand Mosque. Then it's off to Bahrain, home to the Tree of Life, and Qatar. Arrive back in the UAE and check out the four-mile waterfront promenade, the Corniche, on your way to Dubai.

#### DUBAI SEAPLANE AERIAL TOUR - DUBAI, UAE

Skim across the calm waters of the bay and take to the air for an incredible sky-high tour of Dubai. Soar above the famed Burj Khalifa, for the rare opportunity to look down on the tallest manmade structure on earth. There is no grander way to experience Dubai's incredible feats.

If the Arabian Gulf were a novel, the characters you meet would be an eclectic bunch. This historic, beautiful, and at times epic part of the world is steeped in history at one turn and bursting with innovation at the next. As for enjoying some of the local highlights, here is a great place to start.

#### BBQ AL QASR IN ABU DHABI

Voted the "Most Romantic Restaurant in Abu Dhabi," the outdoor setting with the backdrop of Emirates Palace at this beautiful BBQ spot is sensational. And that's before you even get to the mix of grilled meats and fishes. It's a wonderful experience for your palate and your photo collection.

#### WAHIBA SANDS IN OMAN

There's something so serene about being surrounded by nothing but desert. Take off your shoes and walk around a bit.

#### MUSEUM OF ISLAMIC ART IN DOHA

If you're a fan of art in every form, a visit to this museum is a must. It showcases all sorts of mediums, including metalwork, ceramics, jewelry, woodwork, and more. Plus, entry is free. You can't beat it.

#### CRUISE DIRECTOR

#### TONY MARKEY

"Few places in the world offer such an eclectic mix of old-world tradition and modern ingenuity, but cities along the Arabian Gulf are the ultimate exception. My favorite stop? Abu Dhabi. You can't beat the seaside views on Corniche Road."

## DUBAI, UNITED ARAB EMIRATES

### TEA TIME AT BURJ AL ARAB HOTEL

Said by some to be the most luxurious hotel in the world, Burj al Arab's stunningly modern design is a sight to behold—and that's before ever entering. But you're not just here to view from afar. This journey takes you inside for tea among the wonderful company of other Azamara guests. If you're up for even more luxury, a helicopter trip from the iconic helipad will do the trick.

## DOHA, QATAR

### DINE AT IDAM

Three-Star Michelin Chef Alain Ducasse's restaurant does not disappoint. Located in the Museum of Islamic Art, this delicious establishment features the most incredible views of the Doha skyline. While the scenery is stunning, the proof that you make excellent culinary decisions is apparent the minute your meal arrives. Choose from innovative French Mediterranean cuisine, designed to please with an Arabic twist. Most ingredients are sourced locally and used in spectacular fashion to prepare favorites like the roasted blue lobster or camel calf foie gras. Try both and feel good about it.

## RESERVE YOUR PLACE ON AZAMARA

### BOOK YOUR VOYAGE

We encourage you to use the services of a trusted travel professional when booking your Azamara voyage. Travel professionals can provide valuable assistance and tailor your trip to your specific interests, needs, and timeline, including pre- and post-voyage planning. All arrangements, including air travel, lodging, voyage reservations, land tours, pricing, and payments, are made between you and your travel professional. Your travel professional is also responsible for remitting deposits or payments to Azamara Club Cruises and for issuing any refunds that may be due to you.

You also have the option of booking your voyage directly with Azamara Club Cruises. Please visit our website **AZAMARA.COM** for more information, or call 1-855-AZAMARA.

### VOYAGE RATES

All voyage rates listed on the website are per person, based on double occupancy, cruise only, in US dollars, subject to availability, and apply to U.S. and Canada residents only. Rates may vary by ship, departure date, and stateroom category. Single and triple occupancy rates vary. All rates, offers, and itineraries are subject to change without notice. Taxes, fees, and port expenses are additional.

### AZAMAZING EVENINGS®

AzAmazing Evenings® events are complimentary and included on all except Transatlantic crossings and voyages that are less than 7 nights long. A few select itineraries may not feature ports conducive to such events, in which case the AzAmazing Evenings® event will be held onboard. A refund will not be given if you do not attend, or if the event date, port, venue, or program changes, or the event must be cancelled or changed for any reason by Azamara Club Cruises. All AzAmazing Evenings® event dates, ports, venues, and programs are subject to change without notice.

**RESERVATIONS:** Reservations are required for your AzAmazing Evenings® event. After booking your voyage, please visit **AZAMARA.COM/AZAMAZINGEVENINGS** to select the event for your voyage, then follow the instructions to reserve your place. If you do not pre-book the AzAmazing Evenings® event online but decide to participate once onboard, you may sign up until the morning of the event, space permitting. To be sure there is room for you, we encourage you to reserve before boarding.

**CANCELLATIONS:** Because Azamara Club Cruises incurs costs for each participating guest, we ask that you let us know by no later than 10:00 PM the previous day if you decide not to attend. Confirmed guests who do not cancel by this deadline and do not show up will be assessed a cancellation fee of \$100 per person. Onboard Credits (OBCs) cannot be used to pay for cancellation fees.

### EXTENDED VOYAGES ONBOARD SPENDING CREDIT (OBC)

Offer is valid for individual and group bookings, with the exception of contracted groups and charters. Guests must go to **AZAMARA.COM/BACK2BACK** and request Extended Voyage OBC to qualify. OBC will be applied by Azamara Club Cruises via internal option code to eligible bookings within 10 days of request submission. OBC will be removed from both bookings if one voyage is cancelled. Offers and itineraries are subject to change without notice, and may be withdrawn at any time. Other terms and conditions may apply.

Azamara is not responsible for any refunds that your travel professional fails to reimburse. Some travel professionals impose their own charges in connection with a voyage, including a flat service fee or a value-added charge for additional amenities or services. Charges or fees imposed by your travel professional will not be included in a refund from Azamara.

## REQUIRED DOCUMENTS & SHIP BOARDING PROCEDURES

## THE IMPORTANCE OF PROPER DOCUMENTS

Getting your documents and proof of vaccinations in order is an important task that will make it much easier for you to embark, disembark, and move through customs, no matter where your voyage takes you. Guests without appropriate documentation are subject to fines, and may be prevented from boarding airlines or ships, or from disembarking in certain ports. Azamara Club Cruises requires guests to be personally responsible for bringing aboard all required documents, including passports, visas, and proof of vaccinations. Azamara cannot be held responsible for fines, costs, penalties, or interrupted or terminated trips due to a lack of proper documentation, nor can we offer refunds to guests who fail to comply with documentation requirements. Additional resources include travel professionals, government agencies, embassies, consulates, your physician, local health departments, the Centers for Disease Control and Prevention ([WWW.CDC.GOV](http://WWW.CDC.GOV)), and the Department of State General Visa Information (phone: 1-800-232-4636).

## TICKETING DOCUMENTS

Before you embark on your voyage, you'll receive your personal pre-voyage documents between 20 and 50 days prior to sailing. These documents generally are issued electronically (e-docs), either through your travel professional or directly to you if you booked through Azamara Club Cruises. If you book your trip seven days or less before sailing, your documents may be held at the pier, where you can pick them up prior to boarding.

Your documents confirm receipt of payment, your ticket contract, and your name as it will appear on the ship's manifest. They also contain your voyage tickets and confirmation of air arrangements (if you made them through Azamara). Tickets for voyage and air travel are valid only for the person named in the documents. Your booking name should match your name as stated in your passport. Please review your documents carefully. If you have booked consecutive sailings, make sure you have travel documents for all elements of your trip. Protect your documents in a safe place—reproduction and shipping costs will be charged if documents must be reissued.

## GUEST EMBARKATION FORMS

We need certain information before you can board the ship. To make your boarding process as simple as possible, we encourage online check-in. If you do not complete this information online, your embarkation forms will be included with your voyage documents. Please complete these forms before arriving at the pier, and be sure to bring them with you!

## PASSPORT REQUIREMENTS

All guests onboard all *Azamara Journey*®, *Azamara Quest*®, and *Azamara Pursuit*SM voyages are required to carry a passport. We recommend that the

passport's expiration date is no earlier than six months beyond the end of the voyage. Non-U.S. citizens who permanently reside in the United States are required to carry their Permanent Resident Card (informally known as a Green Card). The name on your cruise line or airline reservation must match the name on your passport and Permanent Resident Card.

Guests who do not possess the proper documentation may be prevented from boarding their flight and/or ship, or from entering a country, and also may be subject to fines.

For additional passport requirements and information on obtaining or renewing a passport, U.S. travelers should visit the State Department's website at [WWW.TRAVEL.STATE.GOV/PASSPORT](http://WWW.TRAVEL.STATE.GOV/PASSPORT). Guests from outside the United States should contact their country's passport-issuing agency.

## VISA

Please contact the Embassy (Consular Services) of each country on your voyage or the visa service of your choice for specific visa requirements, information, forms, and fees based on your nationality.

## VISA WAIVER PROGRAM

The U.S. Department of Homeland Security (DHS) has instituted a mandatory Electronic Security for Travel Authorization (ESTA) program. This is a pre-travel authorization program that applies to all U.S.-bound travelers from Visa Waiver Program (VWP) countries. A list of VWP countries can be found below. Regardless of age, all travelers from these countries under the VWP must complete an online application (similar to the I-94W) and obtain an ESTA approval before boarding a carrier by air or sea to the United States. For additional information, go to the ESTA website at [HTTPS://ESTA.CBP.DHS.GOV/ESTA/](https://ESTA.CBP.DHS.GOV/ESTA/).

A third party, such as a relative or travel professional, may submit an ESTA application on behalf of a VWP traveler. The DHS recommends obtaining ESTA approval as soon as a VWP traveler begins to plan a trip to the United States, and definitely no later than 72 hours before departure. If information provided online changes after receiving an approval, it is easy to update the online application. In many cases, ESTA will determine almost immediately if an individual is eligible for VWP travel. Possible ESTA website responses include Authorization Approved, Travel Not Approved, or Authorization Pending. If an ESTA applicant is denied authorization to travel to the United States under VWP, he or she will be referred to the U.S. Department of State website for information on how to apply for a visa instead. Applicants who receive an Authorization Pending response will need to check the website for updates within 72 hours to receive a final response.

### AN APPROVED ESTA TRAVEL AUTHORIZATION IS:

- Valid for up to two years, or until the traveler's passport book expires, whichever comes first.
- Valid for multiple entries into the U.S. for business or pleasure.
- Not a guarantee of admissibility to the United States at a port of entry. ESTA approval only authorizes a traveler to board a carrier for travel to the United States under the VWP. In all cases, U.S. Customs and Border Protection (CBP) officers make admissibility determinations at U.S. ports of entry. Guests who have applied electronically are required to present their ESTA authorization approval receipt in order to board the vessel on applicable voyages.

For additional information, please visit the "Know Before You Go" section of the travel link at [WWW.CBP.GOV](http://WWW.CBP.GOV).

## COUNTRIES PARTICIPATING IN THE VISA WAIVER PROGRAM

Andorra, Australia, Austria, Belgium, Brunei, Czech Republic, Denmark, Estonia, Finland, France, Germany, Hungary, Iceland, Ireland, Italy, Japan, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Monaco, The Netherlands, New Zealand, Norway, Portugal, San Marino, Singapore, Slovakia, Slovenia, South Korea, Spain, Sweden, Switzerland, and the United Kingdom.

## VWP AND PASSPORTS

Travelers from VWP countries who wish to enter the United States are also required to have a passport in their possession. For passport requirements for VWP applicants, please visit "Pre-travel Authorization Program for U.S.-Bound Travelers from Visa Waiver Countries" at the [WWW.CBP.GOV](http://WWW.CBP.GOV) website.

## REQUIRED VACCINATIONS

All guests must ensure they are medically fit for travel. As such, we remind you to check with your physician at least four to six weeks before sailing to ensure you are up to date with immunizations or vaccines required for each of the destinations and tours on your itinerary. For example, some countries require certification of the yellow fever vaccination. For further information, you may contact the Centers for Disease Control & Prevention's Traveler's Health website at [WWW.CDC.GOV/TRAVEL/](http://WWW.CDC.GOV/TRAVEL/) or toll-free at 1.800.232.4636. You may also contact the World Health Organization (WHO) at [WWW.WHO.INT](http://WWW.WHO.INT).

## FAMILY LEGAL DOCUMENTS

When the last names of a parent and minor child(ren) differ, the minors must be linked to the parent through legal documentation. The parent is required to present the child's valid passport book and visa (if required) or the child's birth certificate (original, notarized copy, or certified copy). If a child is sailing with an adult who is his or her legal guardian, the adult must present a certified Certificate of Guardianship with respect to the child.

If a child is sailing with an adult who is not his or her parent or legal guardian, the adult is required to present the child's valid passport and visa (if required) or the child's birth certificate (original, notarized copy, or certified copy) and an original notarized letter signed by at least one of the child's parents. The notarized letter from the child's parent must authorize the traveling adult to 1) take the child on the specific voyage and 2) supervise the child and 3) permit any medical treatment that must be administered to the child.

### IMPORTANT TIPS FOR ALL VOYAGERS TO ADD TO THEIR PRE-TRIP CHECKLIST:

- Renew your passport if the expiration date is within six months of your travel date.
- Contact the Embassy (Consular Services) of each country on your voyage or the visa service of your choice for visa requirements.
- If traveling with minors, make sure you bring the proper documents for them.
- Review the vaccines you need for embarkation and all ports of call.
- Bring along proof of vaccinations and copies of your prescriptions.

## SHIP CHECK-IN TIMES & PROCEDURES

Azamara Club Cruises® check-in times vary, and may be as early as noon. For the specific check-in time of your voyage, please check with your travel professional. Check-in times are also noted in your travel documents.

All guests must board the ship at least 90 minutes prior to the vessel's scheduled departure. Failure to check in at least 90 minutes before the ship's scheduled departure constitutes a "no-show" and results in automatic cancellation of your booking and assessment of cancellation charges.

## LATE ARRIVALS AND EARLY DEPARTURES

If you need to join your voyage late or leave early, it is important to submit your request well in advance of your departure date. Various domestic and international laws govern the ability to join or depart from a voyage in progress, based on a ship's itinerary and guest's citizenship. Your advance request will enable us to tell you whether your proposed schedule changes are permitted. For more information, visit [AZAMARA.COM](http://AZAMARA.COM) and search for information on "partial voyages," or call 800.256.6649. Please take note of the cut-off dates for submission of your request. No refunds or prorated fares can be granted if you join a voyage late or leave early. Some governments impose fines or other charges when a guest permanently debarks from a voyage before its final port of call, and the departing guest will be responsible for these charges.

## BACK-TO-BACK SAILINGS

Please note that due to restrictions under the U.S. Passenger Vessels Services Act (the Jones Act), we cannot accept reservations for back-to-back voyages that begin in one U.S. port and conclude in a different U.S. port. In the event such an itinerary is booked, Azamara Club Cruises reserves the right to cancel one of the cruises at the passenger's expense.

## TERMS & CONDITIONS CRUISE TICKET CONTRACT

### PASSAGE TICKET LIMITATIONS

The transportation of guests and baggage on Azamara Club Cruises ships is governed by the terms and conditions of the Cruise Ticket Contract. This contract is included in voyage documentation, and guests will not be allowed to board the ship until it has been signed. The contract contains important limitations on the rights of passengers. Please carefully read all terms of this contract, paying particular attention to section 3 and sections 9 through 11, which limit our liability and your right to sue. This agreement requires the use of arbitration for certain disputes, and waives any right to trial by jury to resolve those disputes. Please retain the contract for future reference. In the event of any conflicting information between terms and conditions set forth in this brochure, advertisements, offers, or oral or written representation of any Azamara representative, the terms of the Cruise Ticket Contract shall govern. Copies of the Cruise Ticket Contract are available upon request, and are also available online at [AZAMARA.COM/PRICETERMS](http://AZAMARA.COM/PRICETERMS).

### INFORMATION SUBJECT TO CHANGE

Azamara Club Cruises itineraries and routes, pricing, policies, and procedures are constantly evolving. Azamara strives to ensure that all information listed in this brochure is correct at the time of printing. However, information in this brochure is subject to change without notice, and Azamara reserves the right to refuse to honor any prices that were erroneously quoted or misprinted in this brochure.

### CHANGES IN ITINERARY, SAILING DATES & VOYAGE DETAILS

In the event of strikes, lockouts, riots, adverse weather conditions, mechanical difficulties, or for any other reason, Azamara may, at any time and without prior notice, cancel, advance, postpone, or deviate from any scheduled sailing or port of call. Azamara may, but is not obliged to, substitute another vessel or port of call, and shall not be liable for any loss to guests as a result of such cancellation, advancement, postponement, deviation, or substitution.

Azamara shall not be responsible for failure to adhere to the arrival and departure times published in this brochure for any of its ports of call. For questions regarding itinerary changes due to weather or other current events, please visit [AZAMARA.COM](http://AZAMARA.COM) or call our Customer Service Department at 877.999.9553. Travel professionals please call 877.222.2526.

While every effort will be made to adhere to the specific voyage details described in this brochure, circumstances may necessitate changes or deviations. All schedules, itineraries, destinations, hours of arrival and departure, hotels and/or conveyances, and other aspects of voyage programs are subject to change without prior notice. Neither Azamara nor any affiliated party shall be required to refund any portion of fare or other charges or make any compensation under such circumstances.

## ACCESSIBILITY

For more information on special needs, visit [AZAMARA.COM/ACCESS](http://AZAMARA.COM/ACCESS).

### GUESTS WITH DISABILITIES & SPECIAL NEEDS

Azamara Club Cruises welcomes guests with disabilities and special needs and we will provide reasonable and appropriate assistance. While we do not require information regarding the extent of your disability, the more information you can share with us about your specific needs, the better we are able to assist you. We encourage you to notify us of your needs at the time of booking; however, to guarantee availability of specific equipment and services, please provide:

- 60 days' advance notice if you need sign language interpreting services to/from U.S./Canada only.
- 30 days' advance notice if you need special equipment or services to accommodate your disability.

Contact Azamara's Access Department via e-mail at [SPECIAL\\_NEEDS@AZAMARACLUBCRUISES.COM](mailto:SPECIAL_NEEDS@AZAMARACLUBCRUISES.COM).

Guests with disabilities are not required to travel with another person as a condition to traveling on our ships. However, guests should be aware that crewmembers are not required to provide personal assistance (e.g., assisting with eating, dressing, toileting, lifting, etc.), and therefore, guests requiring assistance with these functions should consider these needs when making a booking.

## WHEELCHAIRS/ASSISTIVE DEVICES

Azamara provides wheelchairs for guests during boarding and departing their cruise vacation. During peak times there may be a wait for assistance. Assistive devices including mobility scooters must fit through the stateroom door, and be stored and recharged in guest staterooms so that corridors are kept clear for emergency evacuation.

## TENDERING

Occasionally, guests who use wheelchairs and scooters may find it difficult to transfer to and from the tender. Please note weather, sea conditions, and other factors may preclude tendering. Safety of our guests and crew is our primary consideration, and the Captain will make the final decision regarding transferring guests and their assistive devices based on safety reasons.

## OXYGEN

Guests who need oxygen anytime during the cruise may bring their own oxygen on board or make arrangements with a vendor to deliver enough oxygen on board the ship to last for the duration of the cruise. Please notify Azamara's Access Department via e-mail at [SPECIAL\\_NEEDS@AZAMARACLUBCRUISES.COM](mailto:SPECIAL_NEEDS@AZAMARACLUBCRUISES.COM) with the type of oxygen and quantity of oxygen coming onboard either by the guest or the outside vendor.

## PREGNANCY

Azamara Club Cruises welcomes guests who are pregnant, but will not accept guests who will enter their 24th week of pregnancy by the beginning of, or at any time during, the cruise vacation. All guests are required to sign a health questionnaire at check-in to ensure they are aware of our pregnancy policy. If you already booked a cruise and do not meet these requirements, please contact your Travel Professional or call us at 877.999.9553 and request a Resolution Agent.

## ONBOARD PHYSICIANS

Each Azamara ship is equipped with a medical facility with at least one licensed physician and one nurse. Limited medical services and medications are available for a fee. Types of medications kept on board are limited, and guests must bring an adequate supply of any medications they need. Medical facility is not intended or designed to serve as a clinic for guests and Azamara is not responsible for the diagnosis, treatment, or services furnished by ships' physicians.

## LIABILITY

### SHORE EXCURSIONS

Azamara's responsibility to our passengers does not extend beyond the vessel and the ocean voyage part of your tour. For land tours, Azamara works as a booking agent with independent contractors to make arrangements for transportation, lodging, and/or excursions and tours. Azamara is not responsible for tour cancellations, re-routings, delays, accidents, injuries, or losses sustained while guests are on shore, whether as part of organized excursions or on their own. Please see our Shore Excursions brochure for details and contractual conditions.

### AZAMARA CLUB CRUISES LIABILITY

Guests release Azamara from any and all claims for loss or damage to baggage or property, for personal injuries or death, and for loss from delay arising out of the acts, omissions, or negligence of any independent contractor, such as air carriers, hotels, shore providers, restaurateurs, transportation providers, medical personnel, or other service or facility providers. Azamara disclaims all liability for damages for emotional distress, mental suffering, or psychological injury of any kind, under any circumstances, except to the extent such disclaimer is prohibited by 46 U.S.C. § 183c.(b.).

### GUEST LIABILITY

Each guest agrees to indemnify Azamara for all penalties, fines, charges, losses, or expenses incurred by Azamara by virtue of any act, omission, or violation of law by the guest. Each guest (or if a minor, his or her guardians) is

liable for and will be required to reimburse Azamara for all damage to the ship, its furnishings, equipment, and property caused by any willful or negligent act or omission on the part of the guest.

## LOST OR STOLEN PROPERTY

Safes are available in every stateroom, and guests are responsible for securing their valuables. Your Cruise Ticket Contract establishes procedures and time limitations for reporting lost or damaged property. When possible, please report damaged or lost property to either the Guest Relations Desk or a designated Azamara employee before you leave the U.S. Customs area. In the absence of negligence on its part, Azamara is not responsible for any loss, theft, pilferage, and/or damage to property, which may include money and travel currency, jewelry, photographic/electronic equipment, or other personal property. Azamara's liability for loss or damage to property shall be limited to USD \$300 per guest. Please note that the CruiseCare® Vacation Protection Plan offers personal property protection. Consult with your travel professional for details.

## RIGHT OF REFUSAL TO BOOK REQUEST OR PASSAGE

We are committed to providing safe and enjoyable voyages to our guests. In support of this commitment, we reserve the right to refuse to accept a booking request from an individual or group, and the right to cancel an existing reservation. The Refusal to Transport Policy provides, among other things, that a booking request may be denied when the guest's conduct on a prior voyage has resulted in disciplinary measures by Azamara Club Cruises. Azamara is not liable for its refusal to transport any guest or for its removal of any guest in accordance with these policies. In addition, Azamara shall not be required to refund any amount paid by any guest who must leave the voyage vacation prematurely pursuant to either policy, nor shall Azamara be responsible for lodging, meals, return transportation, or other expenses incurred by the guest, or for any consequential or punitive damages. Any dispute between a guest and Azamara in connection with a guest's voyage booking or voyage shall be litigated, if at all, in and before a court located in Miami, Florida, USA, to the exclusion of the courts of any other state, territory, or country. For more details, see our Refusal to Transport Policy and Guest Conduct Policy, both of which are available online at [AZAMARA.COM](http://AZAMARA.COM).
