# FOOD & Happiness

*From included meals to foodie experiences, you'll try loads of new flavours and cuisines on a Just You tour, and always in good company. It's just one of the ingredients that make up a fantastic vacation experience.*

## Dining in great company

As well as plenty of other meals, breakfast is always included on your Just You tour. There's always a sociable element to dining, and unless you want to go solo, you'll eat with your fellow travellers and Tour Manager. Of course, in every destination you'll be tasting local delicacies, giving you a real flavour of the world.

## The adventure starts here...

We think a great way to break the ice with your fellow Just You travellers is over a drink or a meal. That's why we always include a welcome drink or dinner in your arrival destination, and sometimes both! A farewell get-together is the norm on most of our tours too, so you'll spend plenty of quality time with new-found friends.

## Prepared by you

You're on vacation, so of course, most of the time you're going to enjoy being waited on when it comes to mealtimes. However, there's no better way to get to know a country or region than by not only tasting the food but actually making it yourself. On several tours you can roll up your sleeves and learn a new cookery skill, including pasta-making and the art of creating Chinese dumplings.

## Taste the culture

We've plenty of interesting culinary treats lined up for you on our tours. One day you might be trying out unique specialities in a bustling market, and another you'll be tucking into local produce at the very farm where it was grown. Wine tastings are always popular, whether that's in France, Italy, Portugal or South Africa. Our Russian vodka tasting also goes down well too! You can also master the use of aromatic Indian spices and try delicious dishes created by a local Kerala chef!

## BUCHAREST

See pages 70-71

Our Tour Creators get to know the places you will be visiting inside out and they get to hear about good causes and people or communities in need. This spurred us on to come up with our Just You Cares initiative, by which we make a donation to a relevant good cause in a specific destination.

On some tours you'll even get to see how the money has been spent and meet some of the people who benefit. It's great that together through travel we can help to make lives a little better across the world. When you see the Just You Cares symbol on a page, you'll know that when you book this tour you are helping to support this great cause.

# In the KNOW

*First-time travellers always have plenty of questions before they set off on a Just You tour. Here's the most frequently asked questions, which are answered by Jules, a passionate Just You traveller who also works for us!*

## Who travels with Just You?

Anyone and everyone! One of the reasons I choose to travel with Just You is the people I get to meet. Everyone on the tour is an independent traveller – they might be single or divorced, or they simply don't take vacations with their partner.

There's usually a good mix of ages too, so it's great talking to others in the group who have more, or in some cases less, life experience. Everyone seems to click on tour – probably because we've all picked the same vacation, so we have that in common for starters!

The overall mix of people really adds to the whole experience and there are certainly plenty of laughs along the way.

## What are the group sizes like?

It really depends on which tour you take. I've been on several and the numbers have differed from 15 to 35 travellers, and on each it seemed to be just the right amount.

However big the group is, you'll find that smaller groups naturally form as you get to know each other and there are plenty of opportunities to

Jules on one of our tours

socialize – be it at meal times, by the pool or in the hotel bar of an evening.

If group size is a deciding factor for you, just talk to one of the Just You team. I've always found them to be really helpful.

## Can I do my own thing away from the group?

Absolutely! Of course, on included excursions you are all together, but there are loads of optional excursions as well, which not everyone will choose to join. I've always found there's plenty of free time too, and then you can head off on your own, or if a small group of you want to see a particular site or go shopping, then you can do that as well.

## Do people eat together in a group?

I've taken five Just You tours, and I have never eaten a meal on my own. Where there has

been an organised meal as part of the tour, our Tour Manager arranged for the group to be sat together. And when I've had the opportunity to venture out and eat in local cafés or restaurants, there's always a few of the group who want to come along too. It's great to start the day talking about what we were looking forward to most over breakfast, and then spending the evening talking about those fantastic experiences over a drink and dinner!

## ...and I'm guaranteed a room of my own?

Of course you'll have a room of your own! The price you see is the price you pay, and what's more, you get to stay in a twin or double room all on your own. It's great to have that space to relax and reflect at the end of day. Sometimes you can also pay a little extra to upgrade your room for even more space or for a lovely sea view.

## Do I need a visa to travel?

Different countries have different entry requirements. You can find out whether or not you need a visa before travel by contacting the consulate or visiting [cibtvisas.ca](http://cibtvisas.ca)

Here to help →

## Are transfers to and from the airport included?

A transfer on arrival is included in your tour and there will be someone with a Just You sign at the destination airport, waiting to take you to the tour's first hotel. On departure, you have the option of joining a motorcoach to the airport if your flights align, or the Just You team can book you a private transfer at an additional cost.

## "How do I book my flights?"

Just You are unable to book your flights from Canada, but our Just You advisors will be able to tell you which airports are convenient for you at the start and end points of your itinerary, as well as the times you will need to meet with your fellow travellers. Simply share this information with your local travel agent, who will then be able to arrange flights on your behalf. If you wanted to travel with the group from the UK airport, we can arrange flights from London for you.

## What if I have any more questions?

There's a really friendly team of Just You Tour Advisors at the end of the phone, so just give them a call. Even if you think your question is a bit silly, they're bound to have the answer!

When I booked my last vacation, I actually found that the advisor had been to the same destination, so we had a great chat about it and it just made me even more excited about my trip!

## Your itinerary

### DAY 1 NAPLES

We will transfer you from Naples airport to your hotel in the Bay of Naples. Famous for its beauty, mild climate and fascinating history, the area's attractions range from lovely resorts and idyllic islands to world-famous archaeological sites. With its picture-perfect streets, laid-back café culture and great cuisine, where better to experience the Italian lifestyle. Located close to the UNESCO-listed ruins of Pompeii, our hotel offers magnificent views over Mount Vesuvius, and this evening we'll get to know one another over a welcome drink. (D)

### DAY 2 POMPEII

Few places have captured the imagination quite like Pompeii, and today we will discover its sights. Our explorations begin with a walking tour of the modern city visiting the Shrine of Our Lady of Pompeii, before our attention turns to the remarkable archaeological site. Pompeii's sheer scale is immense and on our guided tour you will be able to imagine what life was like before Vesuvius erupted in 79AD, smothering the town and its inhabitants in hot ash. As we wander through the streets we'll see villas decorated with frescos and brightly coloured mosaics, the remarkable Roman baths and spectacular amphitheatre.

There are many pizzerias and restaurants close to our hotel and this evening is free for you to dine out with your travelling companions, if you wish. (B)

### DAY 3 CAPRI

You are free to explore further at your own pace today. Alternatively, why not join our optional excursion to the beautiful island of Capri. (B,D)

### DAY 4 HERCULANEUM

This morning we offer an optional excursion to the Roman town of Herculaneum, which was buried by the same eruption that destroyed Pompeii. We'll take a guided tour of the ruins here, which are actually better preserved than their more famous counterpart.

If you prefer, you can relax and enjoy the facilities at your hotel, which include a roof-top terrace with panoramic views of Mount Vesuvius. (B,D)

The Bay of Naples

### DAY 5 MOUNT VESUVIUS

Enjoy another day at leisure or join our optional excursion to Mount Vesuvius, which last erupted in 1944. Having admired Vesuvius from a distance so far, this is your opportunity to experience it close up.

This evening is free for you to relax with your travelling companions and maybe enjoy dinner in a local restaurant. (B)

### DAY 6 AMALFI & RAVELLO

Today you may choose to join our full day optional excursion which takes us on a scenic, coastal drive to the towns of Amalfi and Ravello. (B,D)

### DAY 7 SORRENTO

You'll spend the final day of your tour in the lively seaside resort of Sorrento, which boasts stunning scenery as well as elegant restaurants, pavement cafés and a variety of shops. In the company of your Tour Manager, enjoy the bustle of the main square, stroll through narrow lanes, dip into traditional trattorias and step inside intriguing ateliers.

Limoncello is a popular drink in this part of Italy and we'll visit a producer to find out more. As you stand amongst the colourful lemon groves from which the main ingredient hails, you'll enjoy a tasting and learn about the processes used to create this traditional Italian liqueur. You could even join our optional 3 hours cooking class followed by lunch for a chance to learn to cook typical recipes handed down for many generations.

This evening we'll enjoy a farewell get-together and dinner at the hotel. (B,D)

### DAY 8 DEPARTURE DAY

At the end of the tour, you can join your fellow travellers on a transfer to the airport or choose to make your own arrangements. (B)

### DAY 2 CHÂTEAU DE VERSAILLES

Today's optional excursion takes us to the formal gardens of the Château de Versailles. This UNESCO-listed building was built in the 17th century during the reign of Louis XIV, and at the same time the magnificent gardens were created by landscape artist André le Nôtre. As we explore we'll see three large parterres, more than 200 sculptures, groves of trees, elaborate fountains and a spectacular orangery.

With its exceptional architecture and delicious gastronomic delights, Paris is a seductive city. Sit back and enjoy the sights as they are wonderfully illuminated on an optional coach tour of the French capital this evening, with dinner included. (B)

### DAY 3 GIVERNY

It is said that the history of France is written in her gardens, and this is reflected in the many different horticultural styles found across the country.

Particularly delightful are the gardens of the famous French Impressionist Claude Monet in Giverny. He planted and painted here from 1883 until his death in 1926, gaining inspiration from the natural beauty that surrounded him.

Explore the artist's flower garden, Clos Normand, as well as the Japanese-style water garden. These two areas are a beautiful contrast to one another, yet are equally wonderful to explore.

The most famous feature is the lily pond, from which Monet gained so much inspiration, and his series of water lily paintings is revered throughout the world. As you stroll through the enchanting gardens don't miss the exquisite Japanese bridge which is covered with wisteria - it too is depicted in many of Monet's greatest works of art.

In the evening we will gather as a group to enjoy a farewell drink. (B)

### DAY 1 TOULOUSE

We will meet you at Toulouse airport and transfer you to your hotel in Albi. Meet your travelling companions over a drink and dinner this evening. (D)

### DAY 2 ALBI

Standing on the banks of the River Tarn, Albi is a delightful red-brick city steeped in history. Recognised as a UNESCO World Heritage Site, its origins date back to pre-Roman times and it is structured around two medieval fortresses.

As we explore on a walking tour we'll stop to appreciate the exterior of the enormous UNESCO-listed Gothic Cathedral of Sainte Cecile. Built as a fortress in 1287, it dominates the town, and is reportedly the largest brick building in the world.

The elaborate interior of this beautiful structure is equally impressive - its painted walls are exceptional examples of Christian art, and the frescoes on its ceiling comprise the largest and oldest Italian Renaissance painting in France.

Albi is also the birthplace of Toulouse Lautrec, and over 1,000 examples of his works are housed in the museum at the former Episcopal Berbie Palace here. (B)

### DAY 3 GAILLAC & THE GORGES DE L'AVEYRON

The nearby market town of Gaillac has the Tarn River running along its border and boasts the spectacular 10th century Abbey Saint-Michael.

The surrounding region is renowned for its excellent wines, and on our optional tour we'll pay a visit to a local vineyard where we'll have the opportunity to enjoy a tasting.

The soaring limestone cliffs of the magnificent Gorges de l'Aveyron are breathtaking, we will also call here to take in this exceptional landscape. (B)

### DAY 4 CARCASSONNE & CASTRES

Carcassonne is one of the most visually dramatic towns of the Languedoc region owing largely to the double-walled, turreted fortress that overlooks it.

UNESCO-listed, it is divided into the fortified Cité de Carcassonne and the lower city, the ville basse.

Take a stroll through the narrow streets, admire the views from the battlements and visit the beautiful Church of St Nazaire. Along the way we'll stop at the pretty town of Castres for a walk. (B)

### DAY 5 VILLE BASTIDES

Many fortified towns - or ville bastides - were built when England and France fought for control of this corner of the country in medieval times. Our full-day excursion allows us to visit two excellent examples.

Our first stop is Najac, a picturesque village known for its fascinating historic buildings and charming character. Its photogenic castle stands proudly on the peak of a hill and is a remarkable sight from the streets below.

We then continue to Cordes. This quaint fortified town was built in 1222, and is now a very popular tourist spot with an array of delightful shops and welcoming bars.

We will meet you at Dubrovnik airport and transfer you to the pretty coastal resort of Cavtat, where your hotel has direct access to the beach and is just a short walk from the town centre with its small harbour and quaint streets. (D)

### DAY 2 DUBROVNIK

Located on the stunning Dalmatian coast, Dubrovnik is famed for its beauty, and we'll explore on today's included tour. We'll enjoy lovely views as we travel along the coast road to the city, before strolling through its maze of narrow streets to the UNESCO-listed Old Town. On our half-day tour we'll take in more wonderful vistas from the ancient ramparts, and then wander along the famous Stradun (promenade) to the former Rector's Palace, now a museum, and the Franciscan monastery, which houses the oldest pharmacy in Europe. Capture incredible photographs as we take the cable car to Srd Hill, which offers spectacular views over the city and the sparkling waters of the Adriatic. (B,D)

### DAY 3 KOTOR

The drive to the medieval city of Kotor in the neighboring country of Montenegro offers some of the most dramatically beautiful scenery on the Dalmatian coast. We'll head here after breakfast, stopping in the ancient village of Perast en route, where we'll board a boat to visit the historic, Our Lady of the Rock island, home to a 16th century church. In Kotor, we'll wander the old town's tiny alleys, which are overshadowed by towering cliffs and the high walls of ancient stone houses, discover intriguing squares and enjoy splendid views over the Boka Mountains. More wonderful scenery is on offer as we drive around the breathtaking bay before returning to our hotel. (B,D)

### DAY 4 CAVTAT

We've left today free for you to explore the pretty area of Cavtat with its intriguing mixture of old and new architecture, rich vegetation and a waterfront lined with bars and restaurants. As an alternative, why not take to the water and join an optional guided kayaking experience along Dubrovnik's iconic walls. (B,D)

### DAY 5 MOSTAR

We'll sail in style aboard Karaka, a magnificent 16th century replica of a traditional ship from the era of the Republic of Dubrovnik. Our first stop is Šipan, the largest of these unspoiled gems, where wild herbs fragrance the breeze and Renaissance villas built as summer getaways by Dubrovnik's wealthiest families enhance the landscape. In this picturesque setting, enjoy a lunch of typical Dalmatian cuisine. The area is renowned for its fresh seafood so this is sure to be a real treat. We'll then set sail for the island of Lopud, where you can take a walk to the hilltop Franciscan Monastery for wonderful views over the islands. Step inside to admire the fine collection of altar paintings. (B,L,D)

Make your own way to Tokyo, where we'll transfer you to your hotel. Get to know your travelling companions over a welcome drink and dinner. **(D)**

GRAND NIKKO TOYKO DAIBA, TOKYO (4 STAR)

### DAY 3 TOKYO

Tokyo is a dazzling city of contrasts. Traditional temples, shrines and gardens sit alongside ultra-modern skyscrapers and designer shopping outlets, and we'll discover more on our included tour. A real highlight is Tokyo Tower, an Eiffel Tower-inspired structure standing 1,093 feet high. We'll head up to its Observation Deck for stunning views over the city, with even Mount Fuji in our sights if it's a clear day.

We'll also make a stop close to the Imperial Palace, the main residence of the Emperor of Japan. Next we'll view the stunning 7th century Asakusa Sensoji Temple, and to top it all off, we'll experience an authentic rickshaw ride too. Dinner tonight is served as we cruise the Sudima River on board a traditional Yakatabune boat, taking in wonderful views of the city's illuminated skyline. **(B,D)**

GRAND NIKKO TOYKO DAIBA, TOKYO (4 STAR)

### DAY 4 ATAMI

Iconic Mount Fuji, Japan's tallest peak, is our destination today. We'll cruise on Lake Ashi for fabulous views of Fuji, before travelling by cable car and visiting Owakudani, a volcanic valley with active sulphur and hot springs known as the Great Boiling Valley. We'll also visit the natural thermal springs of Atami Onsen before settling down for an overnight stay in the popular seaside spa resort of Atami. **(B,D)**

HOTEL NEW AKAO ROYAL WING, ATAMI (4 STAR)

### DAY 5 KYOTO

Kyoto is nicknamed 'the city of ten thousand shrines' and is where we'll stay for the next three nights. We'll transfer here today on Japan's famous Bullet Train.

On our tour we'll visit the famous Golden Pavilion, a stunning temple covered with pure gold leaf. We'll also tour the stunning Heian Shrine, with its giant entrance gate and beautiful Japanese gardens, before sightseeing in the Gion area. This is Kyoto's most famous Geisha district, and it is filled with teahouses where Geisha entertain. There's plenty of free time for shopping or relaxing, too. **(B)**

KYOTO ROYAL HOTEL & SPA, KYOTO (4 STAR)

### DAY 6 KYOTO

We'll explore Kyoto further today as we visit the beautiful Kiyomizu Temple, which is built into the side of

a mountain. It takes its name, which means 'clear water', from a waterfall within the temple complex. In Fushimi, Kyoto's traditional sake-brewing district, you can find out more about the long history of this fermented rice drink. We'll visit the Gekkeikan Okura Sake Museum for a tasting, before heading to Fushimi Inari, a vast tribute to the gods of rice and sake, with its winding mountain trails leading to a series of stunning shrines. Look out for the dozens of stone foxes you'll see en route – foxes are considered messengers of the gods.

We'll round off today's cultural experiences as we take part in a traditional Uji Japanese tea ceremony. **(B,L)**

KYOTO TOKYU HOTEL, KYOTO (4 STAR)

### DAY 7 KYOTO

Today we include a visit to historic Nara, the 'City of Temples'. Here we will see Todaiji Temple, with its huge bronze Buddha statue, and Deer Park, home to hundreds of free-roaming deer.

In the afternoon, we'll visit Osaka, stopping for photographs at the beautiful Osaka Castle, one of the most famous in Japan. We'll see the Umeda Floating Garden, a spectacular building made up of two towers connected on the 39th floor by the 'Floating Garden Observatory'. We'll also take in the shops and restaurants of the Dontonbori shopping area. **(B,D)**

KYOTO TOKYU HOTEL, KYOTO (4 STAR)

### DAY 8 HIROSHIMA

Hiroshima is an intriguing city with many fascinating sights and we'll head here today by Bullet Train. We'll visit Miyajima Island, one of the most scenic spots in Japan, known for the floating shrine of Itsukushima, before arriving at our hotel. Later, try your hand at okonomiyaki-making.

Often referred to as Japanese pancakes or Japanese pizza, this unique dish is actually quite different to both – taste it and see what you think! **(B,D)**

HOTEL GRANVIA, HIROSHIMA (4 STAR)

### DAY 9 HIROSHIMA/OKAYAMA

Our Hiroshima sightseeing tour today takes in the poignant sights of the Peace Memorial Park and A-Bomb Museum. Dedicated to Hiroshima's nuclear bombing in the Second World War, the park was built on an open field created by the explosion.

From the central cenotaph, view the A-Bomb Dome – this is the skeletal ruins of the former Industrial Promotion Hall, left untouched after the bombing as a constant reminder of the victims and the need for peace. After our visit, we'll stop by the beautiful Shukkeien Garden, whose name means 'landscape garden in miniature' and is an imitation of West Lake in Hangzhou, China. Badly damaged by the atomic bombing in 1945, it was reopened in 1951.

We'll also visit the beautifully preserved canal area of Kurashiki, where the former storehouses that line the canal have been converted into smart boutiques and quaint cafés. **(B,D)**

GRANVIA OKAYAMA, OKAYAMA (4 STAR)

### DAY 10 KOBE

The pretty port city of Kobe is where we'll head today for an overnight stay. En route, we'll visit Himeji Castle, a fantastic hillside complex dating back to 1333. There will be time to explore Kobe at your own pace. Perhaps visit Harbourland, its popular shopping and entertainment complex, or journey on the Shin-Kobe Ropeway cable car for great views over the city. Tonight, gather together with your fellow travellers to enjoy an authentic farewell dinner. **(B,D)**

ANA CROWNE PLAZA, KOBE (4 STAR)

### PRICE PROMISE

Limited places are available on each date at the lowest price. However, if you see your tour departure date advertised for less than you paid we will refund the difference. Occasionally we promote selected special offer holidays within 12 weeks of departure which are excluded from the Price Promise guarantee. We guarantee that absolutely no surcharge will be added to the basic price of your tour once your booking has been confirmed irrespective of any subsequent fluctuation in currency exchange rates or increases in other costs associated with the tour. In return for this guarantee and its risk to us we shall not be able to make any refunds in the event of favourable exchange rate variations or other decreases in costs which may result in a reduction in the selling price. This price guarantee does not apply to any optional services including, but not limited to, insurance premiums, excursion charges and amendment fees. For bookings made within the balance due date and prior to confirming your tour we reserve the right to notify you of any increases to your tour price as a result of any additional costs we may be charged.

### PRICE MATCH

If you find an identical tour offered by one of our competitors (excluding any online special offers or arrangements made by yourself rather than through a tour operator) at a lower price within 7 days of booking with us our 'price match' will apply. By identical, we mean another tour which:

- Visits the same destination(s).
- Has the same duration (i.e. number of nights).
- Offers the same number of included excursions.
- Features accommodation of the same category and board basis and where applicable the services of a Tour Manager/Local guide.

If this happens we will refund the difference between the cost of the tour that you have booked with us and the price of the identical tour offered by our competitor. Plus we will give you an extra \$100 per person towards a future booking. Refunds will be in the form of a credit towards future travel. Applicable to new bookings only.

### LOYALTY BENEFITS

If you qualify for a loyalty discount, the amount will depend on spend and tour type. The new booking must be made within 6 months of your return date and must depart within 12 months of the return date of your original holiday.

### PROTECTED DEPOSIT

On Just You holidays featured in this brochure, you may have the option of protecting your deposit payment.

**Protected Deposits:** If you cancel your booking of a Qualifying Holiday (as defined below) greater than 84 days prior to departure, and that cancellation is not a result of non-payment or any other breach of these Terms, the deposit amount will be held with us as a "Protected Deposit", subject to these Terms. Protected Deposits must be used within 2 years of cancellation date and may be applied towards payment of a deposit on another Qualifying Holiday. The Protected Deposit is not transferable and may only be used by you. Not all Just You holidays are included in the Protected Deposit offer. "Qualifying Holidays" means all Just You holidays with the exception of Global Explorer, Antarctic cruises and Festive holidays and any other holidays as specified by Just You.

For the avoidance of doubt, only the deposit amount will form part of the Protected Deposit. The Protected Deposit has no cash value. Only one Protected Deposit may be applied per person toward a Qualifying Holiday. A Protected Deposit must be applied to a new Qualifying Holiday booking that is of equal or greater value to the cancelled Qualifying Holiday for which the Protected Deposit was originally received. A Protected Deposit may not be applied to the same or similar dates of travel.

**THIS ESSENTIAL INFORMATION IS TO HELP YOU PREPARE AND TAKE ANY NECESSARY ACTIONS PRIOR TO YOUR FORTHCOMING ESCORTED TOUR**

### YOUR TOUR MANAGER

On the majority of our tours / vacations you will be escorted by a knowledgeable Tour Manager. Please be aware of the following:

- Your Tour Manager will meet you at your overseas airport or in your resort.
- Your Tour Manager may not accompany you on your homeward transfer to the airport but they will advise you of the arrangements made.

### COACHES/COACH SEAT ALLOCATION

On our tours that include coach travel, we operate a rotational seating policy. All customers are expected to abide by this policy and adhere to the instructions given by the Tour Manager to ensure that all customers are given the opportunity to move seats. We do believe seat rotation will enhance your travelling experience and create a positive group atmosphere. Regular comfort stops will be taken to ensure a relaxing journey is experienced each day. Some coaches may be equipped with washroom facilities however, it cannot be guaranteed that they will be usable at all times.

### RUNNING ORDER OF ITINERARIES

Occasionally we may have to make changes to the running order and inclusions of your tour / vacation itinerary. This could be due to a number of reasons such as public holidays, festivals, weather, traffic conditions or operational reasons and may sometimes be at short notice.

Due to changes in river water levels, river cruise itineraries may occasionally be modified. On the rare occasions that this happens we will act in the best interests of our customers to ensure the enjoyment of your vacation is not impaired.

### HOTEL ACCOMMODATION

The prices in our brochure/website are based on sole occupancy of a room with private facilities unless otherwise stated. Our reference to 'Hotel' covers all accommodation and does not necessarily distinguish between local classifications such as 'Motel' or 'Inn'. It may occasionally be necessary to accommodate you in a different but equal category of hotel to that featured in the brochure/ website. If this is known before departure, we will of course advise you. The confirmed hotel(s) will be advised in your final travel information.

**Porterage:** One bag per person is included on most of our package holidays as stated in the holiday details.

**Voltage/Electrical Items:** The type of plug sockets you can use in your destination can be checked by visiting: [www.worldstandards.eu/electricity/plug-voltage-by-country/](http://www.worldstandards.eu/electricity/plug-voltage-by-country/)

**Swimming Pools:** If your hotel/s has a swimming pool, you may wish to take your own pool towel, as some hotels do not provide these. Please familiarise yourself with the depth of the pool and use the steps provided to access and exit the pool. Diving is not recommended.

**Additional Charges:** Payment for any extras such as drinks, laundry, telephone calls and meals other than those included in your tour price are to be made directly to your hotel prior to check out.

**Air Conditioning:** In some hotels, air conditioning is operated according to individual hotel policy and/or, in some cases, local laws.

### EXCURSIONS

We want to give you the opportunity to see as much as possible of the countries you are visiting so there will nearly always be a selection of optional excursions. Where a pre-bookable package is available as indicated in the tour details, this is offered at a discounted price. Alternatively you can book & pay your Tour Manager or Local Guide in resort, where applicable. Any optional excursions will of course operate subject to demand, traffic and weather conditions. Changes to the advertised excursions programmes are rare but the excursion providers reserve the right to change excursions and we reserve the right to amend the advertised prices at any time.

We advise against the purchase of excursions from hotels or street vendors as these may not have been safety checked and may not meet required local standards or have adequate

insurance cover in place. A list of approved excursions will be sent to you, in some cases these may include hotel excursions which have been checked. If you choose to partake in an excursion/activity which is not arranged by us, we advise you check that your travel insurance covers you for that specific activity.

### INTERNAL FLIGHTS

**Baggage Handling and Allowance:** The baggage allowance for most of our tours is 44lb (20kg) per person, plus hand luggage, although this varies with each airline. Please be aware this may be less than your International allowance. Airlines do change their requirements therefore, we suggest that you check the airlines website for details on any restrictions or dimensions of hand and hold baggage. You are responsible for the carriage and care of your luggage throughout your vacation except for such times as it may be in the hands of the airline, here in such circumstances the airline specific terms and conditions relating to the carriage of luggage apply or when portorage at a hotel on arrival and departure is included. Please ensure that your luggage is loaded on to all transport and be careful to take the correct luggage with you when you leave any mode of transport.

**Flight Schedule Changes:** When you book one of our tours that includes internal flights, your vacation confirmation will contain provisional flight details. We aim to make this as accurate as possible from the start, however, the timings or the flight numbers can change before departure. We will monitor all changes and inform you as soon as possible if there is a change which affects your departure by a considerable time or moves the tour to a different day or significantly affects the tour itinerary. Final timings will be sent about ten days before you travel. If we notify you of a significant change to your holiday and you do not accept the change you must tell us within 14 days of us advising you of the significant change to your holiday. Details of what constitutes a major or minor change is contained within Booking Conditions.

**Airlines and Aircraft:** All prices in our brochures/ on the website are based on air travel in economy class. Passenger travel on scheduled airlines is provided under the conditions of the airline, for a copy of these terms and conditions please go to the appropriate airline's website.

**Change of Airline:** Due to the ever changing nature of the airline business, airlines selected and used for our tours can change after your booking is made, as can flight schedules and timings. This can be for a number of reasons such as the airline withdrawing the flight or operating with smaller aircraft than first planned. Where this is the case we will endeavour to find an alternative with the same carrier or similar flights with another carrier.

### HOLIDAYS BY RAIL

Where your vacation includes rail travel, Standard Class fares are included unless otherwise stated. **Please note: we are unable to provide porterage at stations and you will be required to handle your own luggage.**

You can choose to upgrade your seats on Eurostar to Standard Class Premier. This upgrade also includes first-class tickets for the remainder of your journey aboard local trains, where applicable.

### SMOKING

**E-cigarettes:** Since their introduction, a number of countries have banned or limited the use of e-cigarettes. We recommend you visit this website, which is an information forum for further information: [www.ecigarette-politics.com/electronic-cigarettes-global-legal-status](http://www.ecigarette-politics.com/electronic-cigarettes-global-legal-status).

### WELFARE, HEALTH & SAFETY

**Walking on Tour:** We are happy to give you more detailed information to enable you to choose the right tour for your individual needs. Our tours can have a comprehensive sightseeing element, visiting places with cobbled streets, inclines and including medium to long walking distances. This can make navigating these streets or keeping up with the group difficult for anyone with reduced mobility, especially in warm climates. It is important to be aware of the amount of walking involved and the degree of fitness and mobility required to take part in these sightseeing visits or excursions.

Tours described as 'Active' are not suitable for

anyone with any limited or mobility issues. If you would like further information to allow you to make a more informed choice please speak to one of our Tour Advisors.

**Altitude:** on certain tours you will travel to places at high altitude. If you suffer from heart or respiratory conditions or have any other concerns please consult your doctor.

**Prescribed Medication:** Carry all prescribed medication in your hand luggage.

**Safety:** Although we take every precaution to look after you on tour the responsibility for your personal safety and welfare and the care of your possessions is obviously the same as that which you would exercise whilst at home. It is advisable to avoid carrying your passports/extra cash/ credit cards etc. during day to day activities unless required. Whenever possible leave valuables in your hotel safe. Extra care should be taken when walking around cities, especially at night and we recommend that you stay in well lit, populated areas. It is also wise to avoid carrying valuables or wearing expensive jewellery.

### PUBLIC HOLIDAYS

Experiencing a public holiday in your chosen destination can really enhance your holiday experience, especially if there are local festivals or celebrations. Virtually all countries have public holidays, religious or otherwise. The festivities may temporarily disrupt your package holiday and some religious holidays such as Ramadan, which is observed in many Muslim countries, may result in a reduction of facilities, services and entertainment. We suggest that you take this into consideration when selecting your departure date. To discover the national holidays in your destination, please visit: [www.timeanddate.com/holidays/](http://www.timeanddate.com/holidays/)

### CURRENCY

To get the latest exchange rates and currency information, please visit [www.xe.com](http://www.xe.com) Cash and cheques can be exchanged at most hotels. Banks and exchange offices will also be able to exchange money for you. Major credit cards are usually accepted in hotels, larger shops and restaurants. We would recommend that you inform your bank/card company of your forthcoming holiday. It is advisable to take more than one means of payment (cash, credit card etc.) and to have some form of payment for emergencies or unexpected delays.

### SHOPPING

Our tours will sometimes incorporate local shops, markets and factory shops which sell a range of goods. Please make sure you have a clear understanding of any price you agree with vendors as well as the conversion rate being used, prior to purchasing items. If you are arranging the delivery of an item to your home address, please be mindful of shipping costs and customs taxes.

### CLIMATE & CLOTHING

Temperatures can vary greatly depending on altitude, time of year and the region you are visiting. If specific clothing or footwear is required this will be detailed in your final itinerary. We recommend checking the weather forecast prior to travel.

We advise against taking travel electrical equipment such as kettles or irons as many hotels do not allow their usage and they can be a fire hazard.

### TIME ZONES

You can find the time zone for the country you are visiting here: [www.timeanddate.com/time/map/](http://www.timeanddate.com/time/map/)

### WEATHER

World weather is becoming more erratic and unpredictable and we cannot be held responsible for disruption to your tour or any other vacation arrangement due to bad or unusual weather conditions.

### BROCHURE/WEBSITE DETAILS

We have taken great care to ensure that the details in the brochure/website are correct at the time of their publication. Please bear in mind however that the availability of certain services may vary particularly outside high season periods. This may be for a variety of reasons, for example, lifts need servicing, swimming pools must be cleaned and outdoor amenities such as chair lifts and cable cars can be affected by weather or lack of demand.

All references in these Booking Conditions to "holiday", "vacation", "tour", "booking", "contract" or arrangements mean the tour arrangements that you purchased from and are provided to you by G Touring Limited, unless otherwise stated. References to "tour" also includes river and coastal cruise arrangements unless otherwise indicated. "You" and "your" mean all persons named on the booking (including anyone who is added or substituted at a later date) or any of them, as the context requires. Carriage by air, river or sea shall also be subject to the carrier's conditions of carriage which limit or exclude liability and are hereby incorporated into this contract. Any compensation payable by us for non-performance or improper performance of land, sea and air carriage services shall be limited in accordance with the international conventions and any laws and regulations which govern such services by the appropriate carrier. ## 1. YOUR BOOKING AND DEPOSIT

The person making the booking (the "party leader") must be at least 18 years of age and must be authorised to make the booking on the basis of these Booking Conditions by all persons named on the booking. By confirming the booking, the party leader agrees that he/she is so authorised and binds all other members of the party. The party leader is responsible for making all payments due to us. The relevant deposit per person (or full payment if booking within twelve weeks of departure for all tours) will be taken at the time of booking. In most cases we will charge the deposit (per person) shown on the price breakdown page of the web site or in the relevant brochure at the time you book your tour. However, these are liable to change and we reserve the right to request a higher deposit amount. On some tours we may charge a higher deposit to cover any costs we have to pay immediately to secure your booking with our suppliers. This will be made clear at the time of booking. Subject to availability and receipt of all appropriate payments, we will then confirm your tour by issuing an invoice (the "Confirmation Invoice") which will be sent to the party leader or your travel agent. A binding contract comes into existence immediately once you have paid the applicable deposit (or the full balance for late bookings) and we have issued a Confirmation Invoice.

**Special Sales:** If there are services that you request from us in addition to one of our tours (such as an extension to your holiday or additional services) these will be put on request by our sales team and are subject to availability and confirmation of the price and deposit amount. Our sales team will provide you with this information, take the appropriate deposit and send you a holding letter.

If you have not received a Confirmation Invoice within 7 days of booking your tour please contact us immediately. If we are unable to confirm your booking, we or your travel agent will immediately refund any payments you have made to us or your travel agent. Please check the Confirmation Invoice carefully as soon as you receive it. Contact us or your travel agent immediately if any information that appears on the Confirmation Invoice or any other document appears to be incorrect or incomplete and especially if there are any errors in the spelling of your or any other passenger's name (as they appear on their passport), as it may not be possible to make changes later. We regret we cannot accept any responsibility if you do not tell us about any mistake on your Confirmation Invoice within 7 days of our sending it out or immediately for bookings made within 12 weeks of departure. We will do our best to rectify any mistake notified to us but you will be responsible for any additional costs involved in doing so.

## 2. WHEN TO PAY THE BALANCE

The balance of your tour cost must - in most cases - be received by us or your travel agent no less than twelve (12) weeks before departure. For all Just You tours a reminder will usually be sent thirteen (13) weeks before departure. The payment deadline will have been clearly marked on your Confirmation Invoice along with details of how to pay. If, for any reason, payment is not received in full by the due date, we are entitled to assume that you wish to cancel your booking and will retain the deposit paid and any other payments made at the time of booking (for example, payments made for an extension to your tour). If we do not cancel immediately because we have agreed to allow you additional time to pay at our discretion and you fail to do so within the timeframe agreed and/or if we exercise our right to cancel your booking you must pay the cancellation charges shown in clause 3 depending on the date we reasonably treat your booking as cancelled.

We accept various methods of payment. The Tour Operator is not responsible for any charges levied by third parties or financial institutions and payable by you as a result of credit card or other payment transactions and will not refund or return any fees charged by third parties or financial institutions in connection with payments made by you to the Tour Operator.

## 3. IF YOU WISH TO CANCEL YOUR TOUR

If you wish to cancel your booking after it has been confirmed, the party leader must notify us (or your travel agent) of the decision as soon as possible. To notify us please send an email to [customercancellations@justyou.com](mailto:customercancellations@justyou.com) or write to us. Any notification by telephone should be to your Agent and must be followed up in writing or by email, within 24 hours by the lead name to confirm the cancellation.

If the call to notify us of cancellation is from anyone other than the party leader then the party leader must also confirm within 3 days of initial notification the cancellation in writing or by email. If you need to cancel your booking within 24 hours of departure please call our 24 hour Holiday Helpline 00 44 1858 414077 or on the number given in your tour documents. If verbal notification is within 5 days of departure we reserve the right to cancel the booking after 24 hours.

As we incur costs from the time we confirm your booking and may be unable to resell your tour, the above cancellation charges will be payable depending on when notification of cancellation is received in accordance with these requirements (please see table 1). Charges for optional services including but not limited to excursion charges, extension to tour and Amendment Fees (as defined below) are not refundable in the event of a cancellation.

If you paid an additional charge at the time of booking to secure specific services not included in the tour itinerary such as an extension to the tour, this cost is non-refundable in the event of cancellation as 100% cancellation fee may apply as soon as the booking is made and the ticket is issued. Please ask for full details on cancellation charges at the time of booking. The scale of charges shown will be calculated on a percentage of the cost of all other arrangements and the non-refundable charges will be added to that cancellation charge to give the total charge. Where any cancellation reduces the number of full paying party members and impacts the quoted price of the trip or an activity, excursion or extra service, we will recalculate these items and re-invoice you accordingly. Please check your insurance policy to see if you are covered to claim back any cancellation charges paid to us.

## 4. IF YOU CHANGE YOUR BOOKING

It may be possible, subject to an amendment fee of CAD\$85 per person (the "Amendment Fee"), to change the details of your booking after it has been confirmed, subject to availability. If you wish to change the departure date of your tour or change to a completely different tour, this will be treated as a cancellation by you of your original booking and the cancellation charges set out in clause 3 apply. If the change you wish to make to your tour results in additional costs or charges from our suppliers (such as a change of name in your booking) then you will have to pay these fees to change your booking, along with the Amendment Fee described above. For example, changes to river/coastal cruise bookings or accommodation arrangements normally involve either an additional fee or the need to create a new booking which requires payment to be processed again.

Please note that many airlines do not permit name changes after confirmation and there may be additional charges other than the Amendment Fee which may include the full cost of the flight subject to the airline's specific terms and conditions. The CAD\$85 per person Amendment Fee applies to each and every change you wish to make to your booking. Please note that any change that you request is only possible where our supplier confirms that there is availability and it is possible to make the requested change.

If you or any member of your party is unable to travel for any reason, you may transfer that party member's booking to someone else/other people suggested by you, and acceptable to us, providing you meet the following requirements:

(i) Please contact us as soon as possible, and provide us with the name(s) of the replacement passengers and the name(s) of the persons they will be replacing from the booking. We can only transfer customers up to 14 days before departure, subject to availability.

(ii) At the time of making the transfer, you must pay the Amendment Fee and, if applicable the costs and charges detailed above in this section.

(iii) Any person travelling in place of anyone who was originally due to travel must agree to these Booking Conditions and any other requirements which may apply to the tour before the transfer can be finalised. If there are any payments outstanding for the applicable booking, these must be paid before the transfer can be made. Any replacement passengers must show us evidence of their tour insurance prior to the transfer being completed.

## 5. OUR PRICES

Whilst every effort is made to ensure the accuracy of our website and/or brochure and prices at the time of printing, regrettably errors do occur. You must therefore ensure you carefully check the details of your chosen tour with us at the time of booking. On rare occasions, we may make a genuine mistake in the price we quote and/or confirm to you for your holiday. This may come to light at any time prior to your tour. We are not obliged to honour the original price provided in error if a mistake has been made when pricing your tour. In the unlikely event of a pricing error, we will ask you to meet any additional costs if you wish to go ahead with the tour. If you do not wish to proceed with your tour, you may cancel your tour with a full refund.

### Tour Availability

All tours featured on our websites or in our brochures are subject to availability.

## 6. IF WE CHANGE OR CANCEL YOUR BOOKING & GUARANTEED DEPARTURES

We start planning the tours we offer many months in advance and occasionally we must make changes or corrections to the content on our websites or brochures before and after bookings have been confirmed. Most changes are minor but occasionally we have to make a significant change. A "significant change" is a change affecting at least one in three full days of the itinerary or which materially affects the character of a product or service in its entirety. The following are examples of significant changes when made before you go on tour:

- A change of the main resort you were due to stay in, if the proposed accommodation is in a different city or resort and more than 15 miles from the original accommodation.

- A change of your accommodation so that you

have to stay somewhere of a lower standard than the accommodation you originally booked for a significant part of your holiday.

- A change of cabin accommodation to a significantly lesser grade.

- Where you are taking a tour, a significant change to the itinerary i.e. when the itinerary has to be changed by more than 50% and may have to exclude an iconic highlight.

All changes which are not significant are treated as minor changes and therefore there is no right to cancel or to claim compensation.

We guarantee that all brochure departure dates booked and secured with a valid deposit will depart as indicated on the applicable confirmation, subject to reasonable itinerary changes as described in these Booking Conditions and good faith health and safety concerns. This guarantee around brochure departure dates is not applicable should we have to cancel your tour as a result of circumstances outside our control (such as force majeure, as defined below) or where you have failed to comply with any requirement of these Booking Conditions entitling us to cancel such as failure to pay on time.

Except where otherwise expressly stated in these Booking Conditions, we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our contractual obligations is prevented or affected by, or you otherwise suffer any damage or loss as a result of force majeure. In these Booking Conditions, 'force majeure' means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events may include (whether actual or threatened) war, riot, civil strife, terrorist activity, industrial dispute, natural or nuclear disaster, technical problems with transport, closure of airports, ports or airspace, changes of schedules by airlines, adverse weather conditions, epidemics, health risks and pandemics, fire, closed or congested airports or ports and all similar events outside our control or the control of our suppliers. In addition, for the safety of all passengers on a river/coastal cruise holiday, the crew, our employees and suppliers, the vessel or other transport or third parties, we reserve the right to cancel, postpone, curtail or alter (without prior notice) your tour or river/coastal cruise, in whole or part, in the event of threatened force majeure.

If a tour is cancelled before the date of departure for reasons other than force majeure and the cancellation is not caused by your fault or negligence, you will have the choice of accepting from us:

- (a) A substitute tour of equivalent or superior value; or
- (b) A substitute tour of lesser value if no tour of equivalent or superior value is reasonably available and to recover from us the difference in price between the price of the tour originally purchased and the price of the substitute tour; or
- (c) A full refund of all monies paid for the cancelled tour.

If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, we will offer you the choice of one of the above three options. We are not responsible for any incidental expenses or consequential losses that you incur as a result of the canceled booking including but not limited to international flights, visas, vaccinations or other fees, loss of earnings or loss of enjoyment. The Tour Operator reserves the right to issue a full refund, in lieu of the choices above, at its sole discretion.

**Please note:** The above options are not available where any change made is a minor one (i.e. does not fulfil the requirements for a significant change as above).

Compensation will not be payable and no liability beyond offering the above mentioned choices can be accepted where we are forced to make a change or cancel as a result of unusual or unforeseeable circumstances beyond our control, the consequences of which we could not have avoided with all due care or we have to cancel an additional (non-brochure) departure date because we do not receive sufficient numbers to run the individual tour date. No compensation will be payable and the above options will not

be offered where you have failed to comply with any requirement of these Booking Conditions entitling us to cancel (such as failure to pay on time).

We may be forced to change or terminate your tour after departure but before the scheduled end of your time away as a result of force majeure. When unexpected events such as extreme weather, civil strife or other force majeure events occur, we may be required to act to protect the safety of our customers. Unfortunately we must also be mindful of the global risk of indiscriminate terrorist attacks. This may require us to either make substantial alterations to an itinerary or make urgent arrangements to move customers to another safe destination. If this situation does occur, we regret we will be unable to make any refunds or pay you any compensation for any costs or expenses incurred by you as a result. Please ensure that you familiarize yourself with all available travel information and up to date government issued travel advice for your chosen destination. If, after departure, we are unable to provide a significant proportion of the services we had agreed to provide as part of our contract with you, we will do our very best to make suitable alternative arrangements for the contracted services which have not been provided.

You acknowledge that you are responsible for keeping up to date on the specific details of your tour and any other products you purchase, including but not limited to, the arrival and departure dates as well as co-ordinating your flight times to ensure you have adequate arrangements in place for joining and leaving a tour/coastal & river cruise. Overseas transfers from the arrival airport to the starting point of your tour/coastal & river cruise are included and if your return departure flight times co-ordinate with the departure of travellers from the UK, you may be able to join the departure overseas transfer arrangement free of charge. However, you must provide your flight times and keep us updated of any changes to the flight times. Please check your final documentation as minor changes to timings of the groups departure and tour itinerary may have been made after the time of booking."

## 7. OUR RESPONSIBILITY FOR YOUR TOUR

(i) Your tour arrangements will be performed and provided with reasonable skill and care. This means that, subject to these Booking Conditions and the provisions of the Athens Convention (<http://www.transportrecht.org/dokumente/AthenProt2002e.pdf>), we will accept responsibility if, for example, you suffer death or personal injury or your contracted tour arrangements are not provided as promised or prove deficient as a result of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted tour arrangements. Please note it is your responsibility to show that reasonable skill and care has not been used and has affected the enjoyment of your travel arrangements, if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

(2) We will not be responsible for any injury, illness, death, loss (including loss of enjoyment and loss of possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following: - the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party; or the act(s) and/or omission(s) of a third party not connected with the provision of your tour and which were unforeseeable or unavoidable; or 'force majeure' events where we or our suppliers, even with all due diligence could not foresee or forestall as defined in clause 6 above.

(3) We cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised in our brochure and we have not agreed to arrange them as part of our contract and any excursion or activities you purchase in resort. Please also see clause 8 below. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use

reasonable skill and care as set out above and we do not have any greater or different liability to you.

(4) The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws and regulations of the country in which your claim or complaint occurred - will be used as the basis for deciding whether the services in question had been properly provided. Standards of hygiene, accommodation and transport in certain counties where tours take place are often lower than the standards you may reasonably expect in your home country or region. If the particular services which gave rise to the claim or complaint complied with the local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided.

(5) Please note that under the Montreal Convention, claims for damaged or delayed baggage for all airlines is set at a maximum of 1131 Special Drawing Rights (currently approximately CAD\$2021.00, subject to proof of value and loss. These amounts may vary according to the value of the SDR. An SDR is an international monetary unit. The exact value of an SDR fluctuates with the daily exchange rate. The daily exchange rate can be viewed at the International Monetary Fund website: [http://www.imf.org/external/np/fin/data/rms\\_sdr.aspx](http://www.imf.org/external/np/fin/data/rms_sdr.aspx) and an SDR converter is available at [http://coimill.com/CAD\\_SDR.html](http://coimill.com/CAD_SDR.html)?CAD=1131\*SDR=1131. The values in the Booking Conditions are those of 4th August 2017. Claims must be made in writing to the carrier concerned within 21 days and for missing items from baggage within 7 days. It is your responsibility to comply with these strict time limits by notifying the airline concerned. Particular difficulties may arise for river/coastal cruise and tour customers if your baggage is delayed by the airline and there are difficulties with this catching up with you en-route. We will try to assist you in these circumstances but liability for any delayed baggage is the responsibility of the airline concerned and we will not be liable.

If we are found liable to you on any basis our liability shall be limited to a maximum of twice the price (excluding any optional services including but not limited to Amendment Fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 7(6) below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your tour.

(6) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, river/coastal sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited to that amount. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (see also clause 24 River Cruises) and COTIF, The Convention on International Travel by Rail and the Berne Convention). Please note: Where a carrier would not be obliged to make any payment to you under the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. Please also note that each convention specifies the time limits for making claims, which may be as little as one year from the date of the relevant incident arising. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the complaint or claim in question. Copies of the applicable international conventions and regulations are available from us on request or via:

- <http://www.jus.uio.no/lm/air.carriage.warsaw.convention.1929/doc.html>

- <http://iftta.org/eu-directives-and-regulations>
- [https://www.ata.org/policy/Documents/MC99\\_en.pdf](https://www.ata.org/policy/Documents/MC99_en.pdf);
- <http://www.transportrecht.org/dokumente/AthenProt2002e.pdf>

- <http://www.wipo.int/treaties/en/ip/paris/index.html>

The sums payable under the applicable international convention or regulation may well be less than a court would otherwise award to a person making a comparable claim where the international convention or regulation did not apply. You may therefore wish to consider insuring for the possibility of such unfortunate events, being careful to note any limitations, exclusions and restrictions contained in insurance policies.

(7) We cannot accept any liability for any damage, loss, expense or other sum(s) of any description (i) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves, our employees or our suppliers. Additionally we cannot accept liability for any losses or expenses connected with any business including loss of earnings.

(8) Excursions or other activities that you may choose to book or pay for whilst you are on tour are not part of your tour provided by us. We cannot recommend or suggest excursion operators when we have had no opportunity to check their compliance with safety standards. For any excursion or activity that you do not book through us, your contract will be with the operator of that excursion or activity. We are not responsible for the provision of the excursion or activity or for anything that happens during the course of its provision by the operator.

## 8. ACCEPTANCE OF REASONABLE RISKS

You acknowledge that travel and the products and services offered by the Tour Operator may involve risk to your health and safety. By travelling with the Tour Operator you acknowledge that you have considered any potential risks to health and safety. To the extent permitted by law, you hereby assume responsibility for all such risk and release the Tour Operator from all claims and causes of action arising from any losses, damages or injuries or death resulting from risks inherent in travel, including visiting foreign destinations, and participating in adventurous activities such as those included in Tour itineraries or otherwise offered by the Tour Operator. You acknowledge that the degree and nature of personal risk involved depends on the products or services booked and the location(s) in which a product or service operates. There may be an increased degree of risk participating in physical activities, travel to remote locations, carriage by watercraft, or other high-risk activities, or travel to countries with developing infrastructure.

You agree that the Tour Operator is not responsible for providing information or guidance with respect of local customs, weather conditions, physical challenges or laws in effect in any locations where a Tour, product or service is operated. You acknowledge you have considered the potential risks, dangers and challenges and your own personal capabilities and needs, and you expressly assume the risks associated with travel under such conditions.

You must at all times strictly comply with all applicable laws and regulations of all countries and regions. Should you fail to comply with the above or commit any illegal act when on tour or, if in the opinion of the Tour Operator (acting reasonably), your behaviour is causing or is likely to cause danger, distress or material annoyance to others, the Tour Operator may terminate your travel arrangements on any product or service immediately at your expense and without any liability on the Tour Operator's part. You will not be entitled to any refund for unused or missed services or costs incurred as a result of termination of our travel arrangements, including, without limitation, return travel, accommodations, meals, and incidentals.

## BOOKING TERMS & CONDITIONS

You are responsible for any costs (including repair, replacement and cleaning fees) incurred by the Tour Operator of the Tour Operator's suppliers for property damage, destruction or theft caused by you while on a tour. You agree to immediately report any pre-existing damage to a representative of the Tour Operator and staff of the accommodation, transportation service, or facility as soon as possible upon discovery.

You agree to take all prudent measures in relation to your own safety while on tour including, but not limited to, the proper use of safety devices (including seatbelts, harnesses, floatation devices and helmets) and obeying all posted signs and oral or written warnings regarding health and safety. Neither the Tour Operator nor its third party suppliers are liable for loss or damages caused by your failure to comply with safety instructions or warnings.

## 9. LAW AND JURISDICTION

You agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us (a "claim"). You agree that any claim must be dealt with by the courts of England and Wales.

## 10. COMPLAINTS

In the unlikely event that you feel dissatisfaction with any aspect of your tour arrangements we ask you to bring this to the attention of our Tour Manager or representative immediately so that the matter may be resolved right away. Until we know about a problem or complaint, we cannot begin to resolve it. If the matter cannot be remedied immediately while on Tour, you must ask our Tour Manager or representative for a tour Report Form, which you must then complete in his or her presence. One copy will be given to you and the other copy sent to head office. If you remain dissatisfied, you must write to us within 28 days of return from your tour quoting your booking reference number. Any complaint concerning your tour will be dealt with carefully and fairly by our staff. If you do not follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in destination and may refuse to entertain your claim.

Once your complaint has been fully investigated in accordance with this procedure we will inform you of the outcome. If the complaint is upheld, then any compensation that may be awarded would be subject to these Booking Conditions.

## 11. OPTIONAL EXCURSIONS AND ACTIVITIES

Optional excursions and activities may be available for you to purchase either before you depart or during your tour. These are offered for sale by your travel agent, or our Tour Managers or representatives overseas. However, we have no involvement in any such excursions or activities which are provided by third parties and which are not run, supervised or controlled in any way by us. Full responsibility for providing and operating the excursion or activity rests with the local operator / provider. We act solely as booking agent for the local operator and or provider of all optional excursions and activities with whom you will have a contract. The local operator's terms and conditions will apply. As set out at clause 7(8) above we cannot accept any liability on any basis in relation to any optional excursions or activities which do not form part of your tour booked with us and the acceptance of liability contained in clause 7(i) of our Booking Conditions will not apply to them.

A minimum number of people are needed for an optional excursion to operate. If that number is not achieved, we may have to cancel it. If this happens, you will be offered a full refund of the money that you have paid and we have no further liability. If we have to cancel and you paid for the excursion overseas your Tour Manager will refund you overseas. If you pre-booked before the holiday, the refund will be processed by our head office or by your travel agent, and will be sent to the lead passenger within ten working days of your return date. If you want to cancel an optional excursion that you have booked we are unable to refund the cost of the excursion once it has been paid for.

If you suffer from a disability that restricts your mobility, we will do our best to ensure that you can participate in our excursions. Please let us know before you book about any special requirements. We reserve the right to limit your

participation in our programme of excursions if we have reasonable doubts about your comfort and safety, or the safety and comfort of your fellow travellers and no refund will be offered under these circumstances. Our Tour Managers and representatives are instructed not to accept bookings for any excursions or activities other than those authorised by us. Any advice or assistance on excursions or activities they may offer as a result of a request by you for information or advice does not imply that the excursion or activity has been sold, recommended or endorsed in any way by the Tour Manager or representative or us or that they have acted on our behalf. We have no liability for any such information or advice.

Our Tour Managers are happy to suggest local places of interest to you. However, these are suggestions only and are not recommendations or endorsements and no liability is accepted for any issues that may arise. Services and activities may be offered by third parties including the hotel where you are staying. These service providers are not acting as our agents when they do so. We cannot accept any liability for any services or activities purchased from or through a third party. Some activities undertaken may have inherent risks and the operator / provider may not have any insurance or sufficient insurance coverage. If these services or activities are not offered by us as part of the contracted tour package booked with us, then we do not accept liability for any loss or damage arising from the use of these third party service providers.

12. TOUR INSURANCE

We consider adequate travel insurance to be essential, especially for all tours. It is a condition of booking that you are adequately insured. We will require you to give us details of your travel insurance company including the policy number. You must ensure that your policy offers cover which as a minimum, covers cancellation for the total value of the tour, delay or curtailment, medical charges and repatriation costs for not less than GBP£5 million or equivalent. Your travel insurance should cover you for any pre-existing medical conditions. Please read your policy details carefully and take them with you on tour. It is your responsibility to ensure that the insurance cover you purchase is adequate for your particular needs including cover for any optional excursions and or activities that you may have booked. You shall be responsible for indemnifying us in full in respect of any costs that we incur as a result of your failure to have adequate, appropriate and comprehensive travel insurance. We will decline any booking where adequate insurance has not been arranged.

13. SPECIAL REQUESTS

Any special requirements must be disclosed to the Tour Operator at the time of booking. The Tour Operator will use reasonable efforts to accommodate special requirements or requests but this is not always possible given the nature of the destinations visited and availability of options outside a planned itinerary. Certain activities may be inaccessible to you if your mobility is limited in any way. All food allergies and dietary restrictions must be disclosed to the Tour Operator at the time of booking but the Tour Operator cannot guarantee that dietary needs or restrictions can be accommodated. Any special requests or requirements do not form part of these Terms or the contract between you and the Tour Operator and the Tour Operator is not liable for any failure to accommodate or fulfil such requests.

14. PASSPORTS, VISAS AND HEALTH REQUIREMENTS

It is your responsibility to obtain information and to have in your possession all the required documentation and identification required for entry, departure and travel to each country or region. This includes a valid passport and all travel documents required by the relevant governmental authorities including all visas, permits and certificates (including but not limited to vaccination or medical certificates) and insurance policies. You must have a passport that is valid at least six (6) months after the last date of travel with the Tour Operator as set out on your itinerary. You accept full responsibility for obtaining all such documents, visas and permits prior to the start of the Tour, and you are solely responsible for the full amount of costs incurred as a result of missing or defective documentation. You agree that you are responsible for the full amount of any loss or

expense incurred by the Tour Operator that is a direct result of your failure to secure or be in possession of proper travel documentation. The Tour Operator does not provide advice on travel documents and makes not representations or warranties as to the accuracy or completeness of any information provided on visas, vaccinations, climate, clothing, baggage, or special equipment and you agree that the Tour Operator is not responsible for any errors or omissions in this information.

If failure to have any necessary travel or other documents results in costs, fines or other financial penalty being incurred by or imposed on us, you will be responsible for reimbursing us accordingly. If you incur any additional costs, you are responsible for meeting these.

15. SAFETY STANDARDS

Not all countries have health and safety standards as stringent as those in your home country. For example, accommodation may not have the separate fire escapes, alarms, detection, fire and smoke control measures that we take for granted at home. Please note: The requirements and standards of the country apply to any services provided. All our tours comply with the safety standards of the country visited.

The minimum age on our Just You tours is 18 years. Unfortunately we cannot accept bookings for women who will be more than 24 weeks pregnant at the conclusion of the tour, river/ coastal cruise.

16. CUSTOMERS WITH DISABILITIES, MEDICAL CONDITIONS AND SPECIAL REQUIREMENTS

The Tour Operator requires that you disclose certain medical information in order to provide you with the services you have requested. You must provide any medical information reasonably requested by the Tour Operator and may be required to complete the Tour Operator's medical information form (the "Medical Form"). If you have any pre-existing medical conditions, either physical or mental health, which may impact your ability to travel, participate in a Tour, travel to remote areas without access to medical facilities or may adversely affect the experience of others on your Tour, you must return a Medical Form, signed by a licensed and practicing physician to the Tour Operator prior to or at the time of final payment for the applicable booking.

You agree to complete the Medical Form honestly and to disclose all relevant medical information accurately and fully. The Tour Operator will maintain the information in accordance with the Tour Operator's Privacy Policy available at: [www.justyou.com/en-ca/l/privacy-policy/](http://www.justyou.com/en-ca/l/privacy-policy/)

The Tour Operator reserves the right to request further information or professional medical opinions where necessary, as determined in its discretion, for your safety or the safe operation of a Tour. The Tour Operator reserves the right to deny you permission to travel or participate in any aspect of a Tour at any time and at your own risk and expense where the Tour Operator determines that your physical or mental condition renders you unfit for travel or you represent a danger to yourself or others. In the event that you do not complete the required Medical Form or provide medical information reasonably required by the Tour Operator for any reason by the deadline indicated above, the Tour Operator reserves the right to cancel your booking and all applicable cancellation fees will apply.

You are responsible for assessing whether a Tour is suitable for you. You should consult your physician to confirm your fitness for travel and participation in any planned activities. You should seek your physician's advice on vaccinations and medical precautions. The Tour Operator does not provide medical advice. It is your responsibility to assess the risks and requirements of each aspect of the Tour based on your own unique circumstances, limitations, fitness level and medical requirements.

Travel with the Tour Operator may involve visiting remote or developing regions, where medical care may not be easily accessible and medical facilities may not meet the standards of those found in your home country. The condition of medical facilities in the countries you may visit on your Tour varies and the Tour Operator makes no representations and gives no warranties in relation to the availability or standard of

medical facilities in those regions. Whilst we will endeavour to make any reasonable adjustments to the tour itself, sometimes this may not be possible. Examples of where we may not be able to make a reasonable adjustment include:

- Providing wheelchair access ramps to overseas hotels in remote locations
- Our staff pushing a customer in a wheelchair throughout the duration of the tour
- Provision of daily personal care whether for a physical or mental health condition

PERSONAL CARE CANNOT BE PROVIDED BY ANY MEMBER OF OUR STAFF.

We will assume, unless you inform us otherwise, that all members of your party are in a good state of health both physically and mentally, to participate in the tour. If you do not tell us about any disability or medical condition which may affect your tour arrangements and any resulting special needs, and we find ourselves in the position where you are at your departure point or on tour and are unable to participate fully, then we reserve the right to:

- 1) Organize extra assistance or make any adjustments so you can continue with the tour, and pass on the costs of doing this to you.
- 2) Arrange your return to your home address, and pass on the costs of doing this to you.

We very much hope that all our customers will be completely open, honest and upfront with us so the above situation does not occur. We reserve the right to take action in the interests of your health and safety and the health and safety of our staff and other customers should we need to. We can only accept your booking upon the clear understanding that we cannot be liable if you do not inform us of such a condition and an airline or river/coastal cruise line refuses to accept you or any member of your party as a passenger.

17. FLIGHTS

We are required to advise you of the actual carrier(s) on internal in country flights or, if the actual carrier(s) is not known, the likely carrier(s) that will operate your internal flight(s) if applicable at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as reasonably possible. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible and will be a minor change.

We are not always in a position at the time of booking to confirm the aircraft type and flight timings which will be used for internal flights in connection with your tour. The flight timings and types of aircraft (if any) detailed on your Confirmation Invoice are for guidance only and are subject to alteration and confirmation. The latest timings will be shown on your itinerary which will be despatched to you approximately two weeks before departure. You must accordingly check your documents very carefully immediately on receipt, to ensure you have the correct information. It is possible that flight times may be changed even after our documents have been despatched - we will contact you as soon as possible if this occurs.

Any change in the identity of the carrier, flight timings, and/or aircraft type will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

18. CROSSING THE CHANNEL

If your tour involves crossing the English Channel (the "Channel"), we will state at the time of booking the planned method of crossing the Channel, by either ferry or Euro tunnel.
